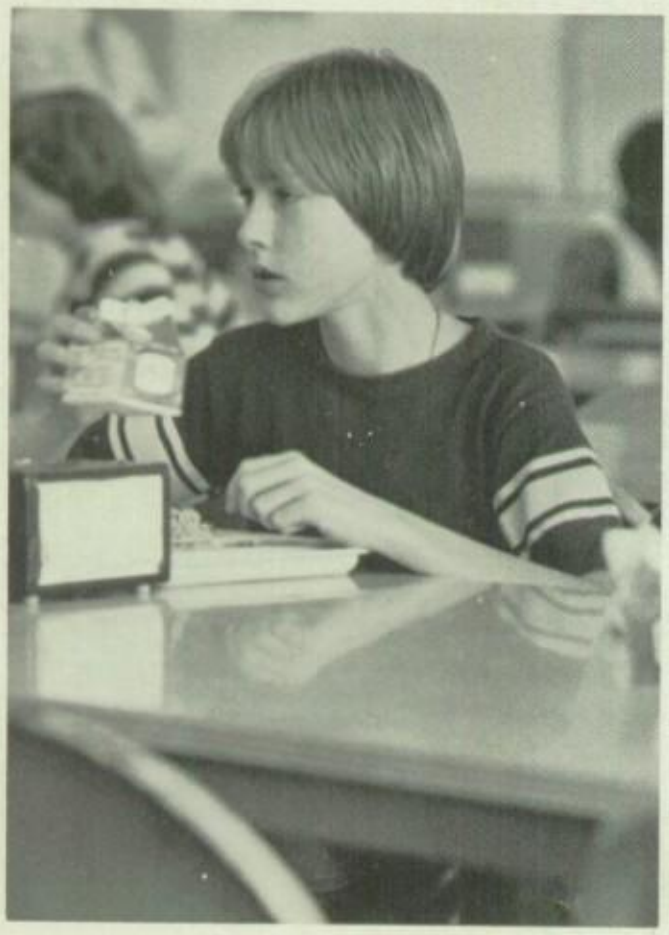
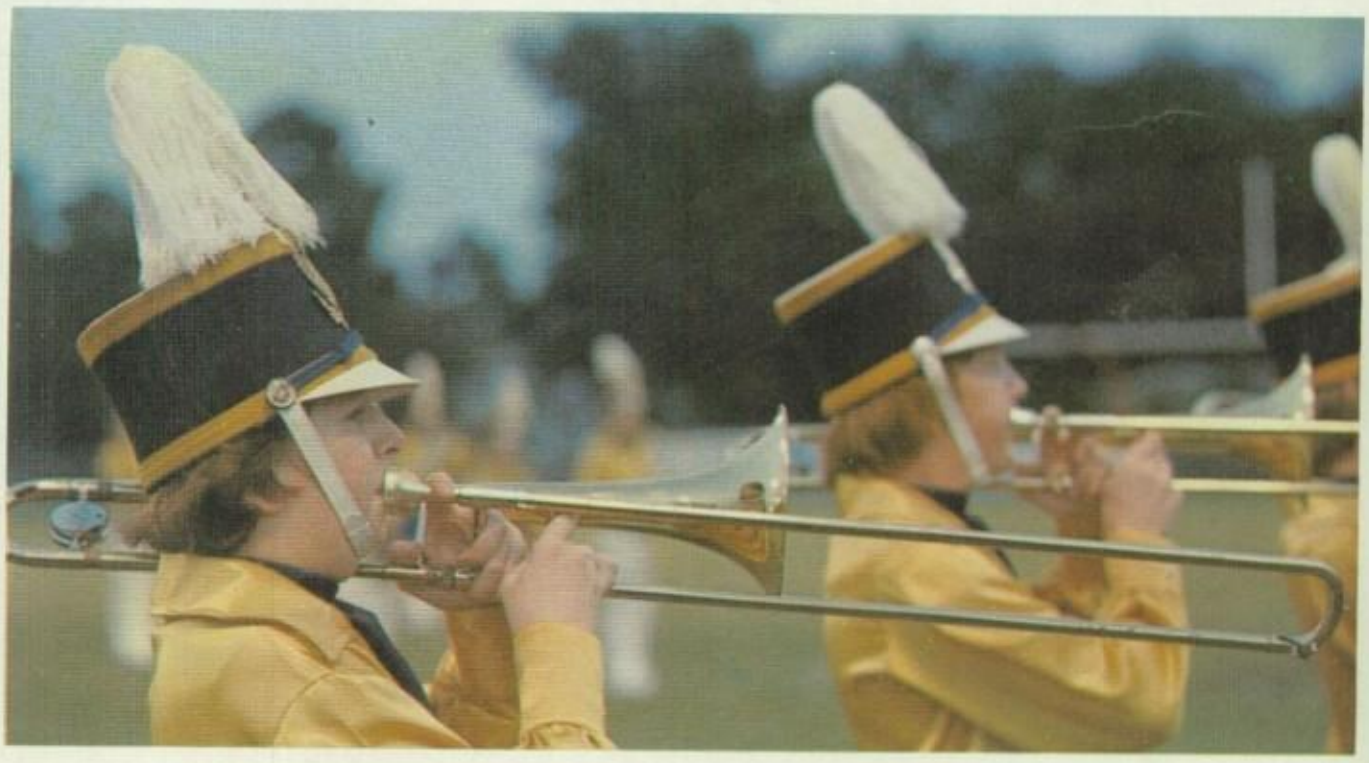
The Galley



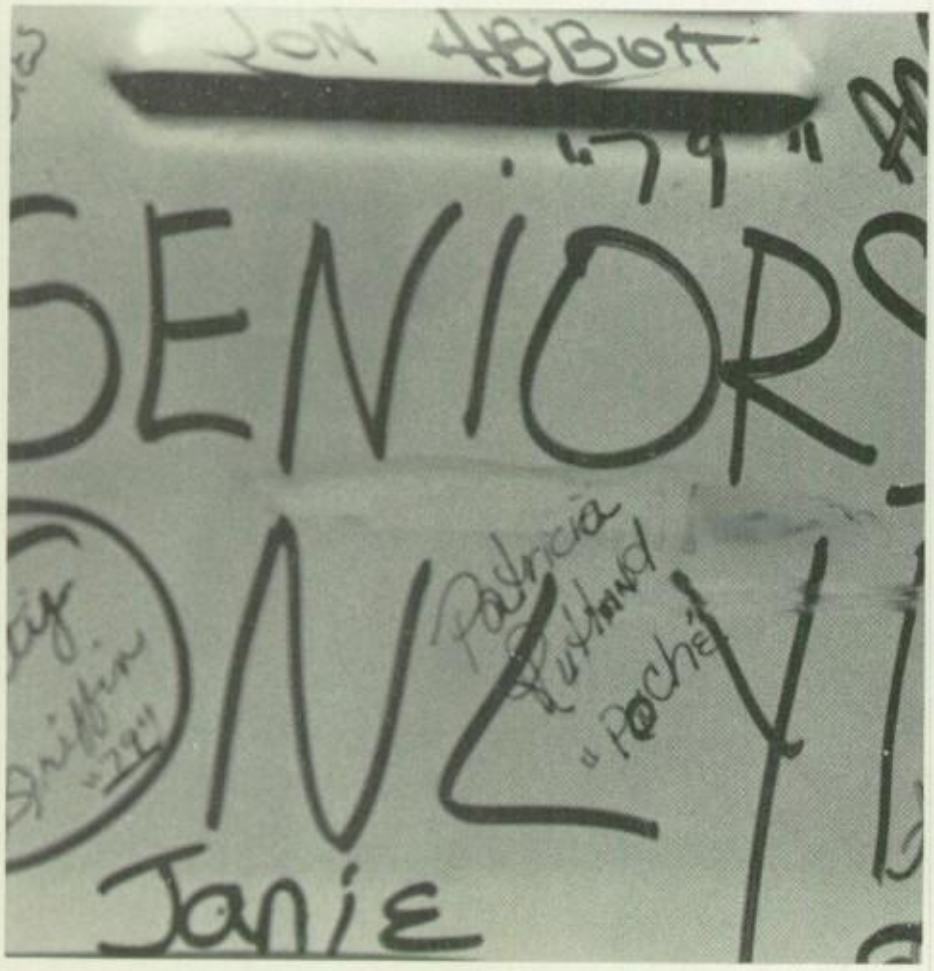
Calling all worthy seamen for their daily rations! The true "Pirates" stay on board and enjoy the ship's grub, while the more adventurous take liberty to go ashore and feast on the exotic native foods. And then there are a few...

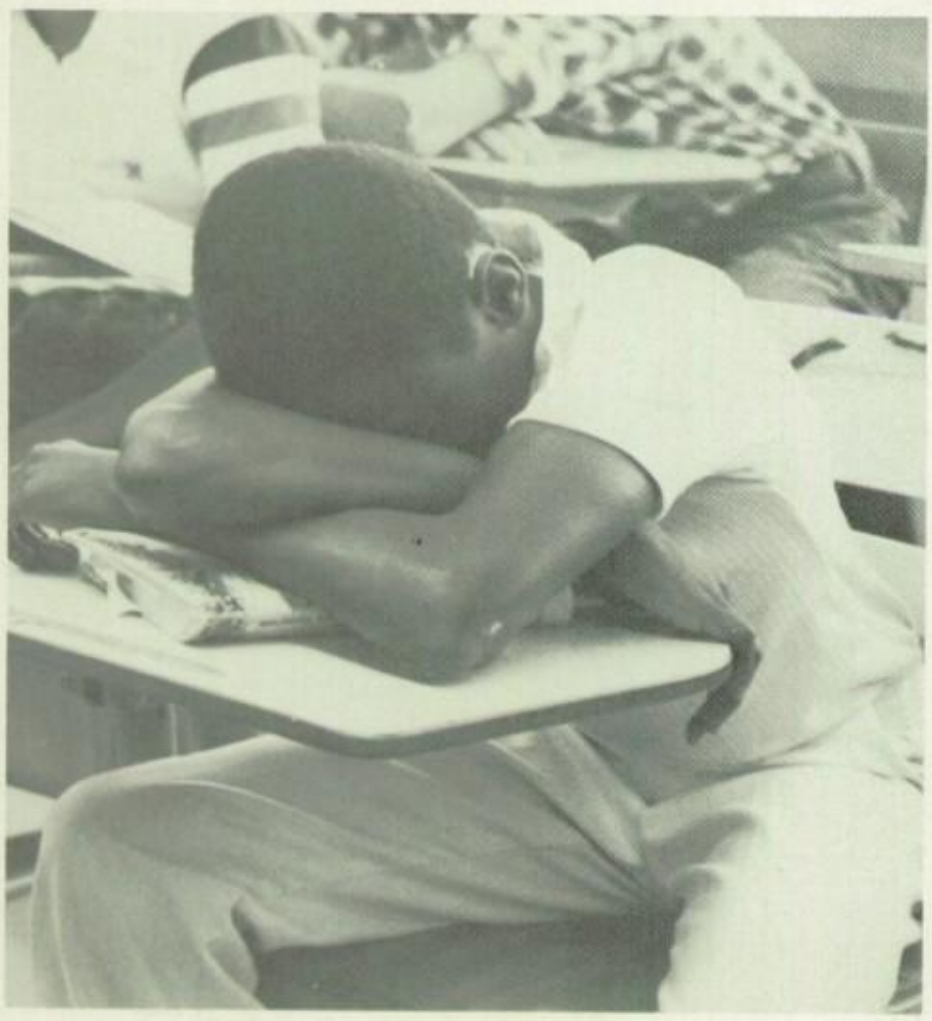
The Flagship



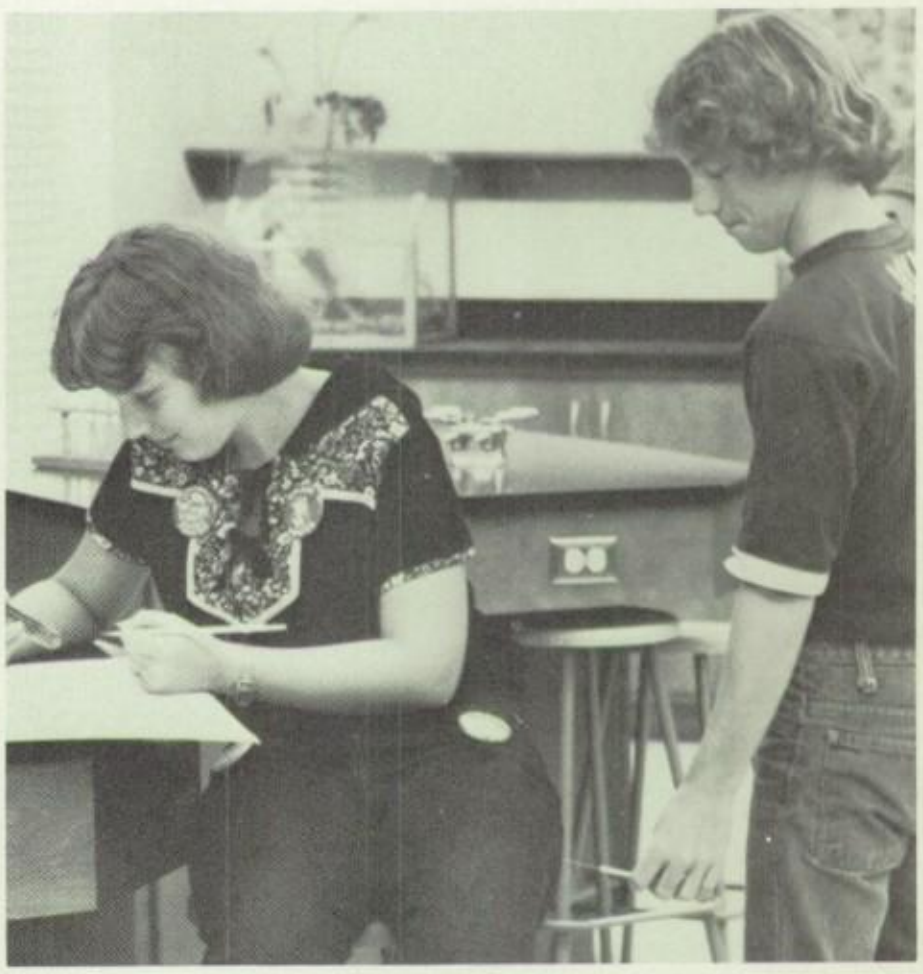
The spirit of the B.N.S.H. crew lives in the cheers they yell for their teams' Football games, yelling with the cheerleaders, and enjoying the band knows no rank. It makes every mate take pride in saying, "I'm a Brunswick High Pirate!"

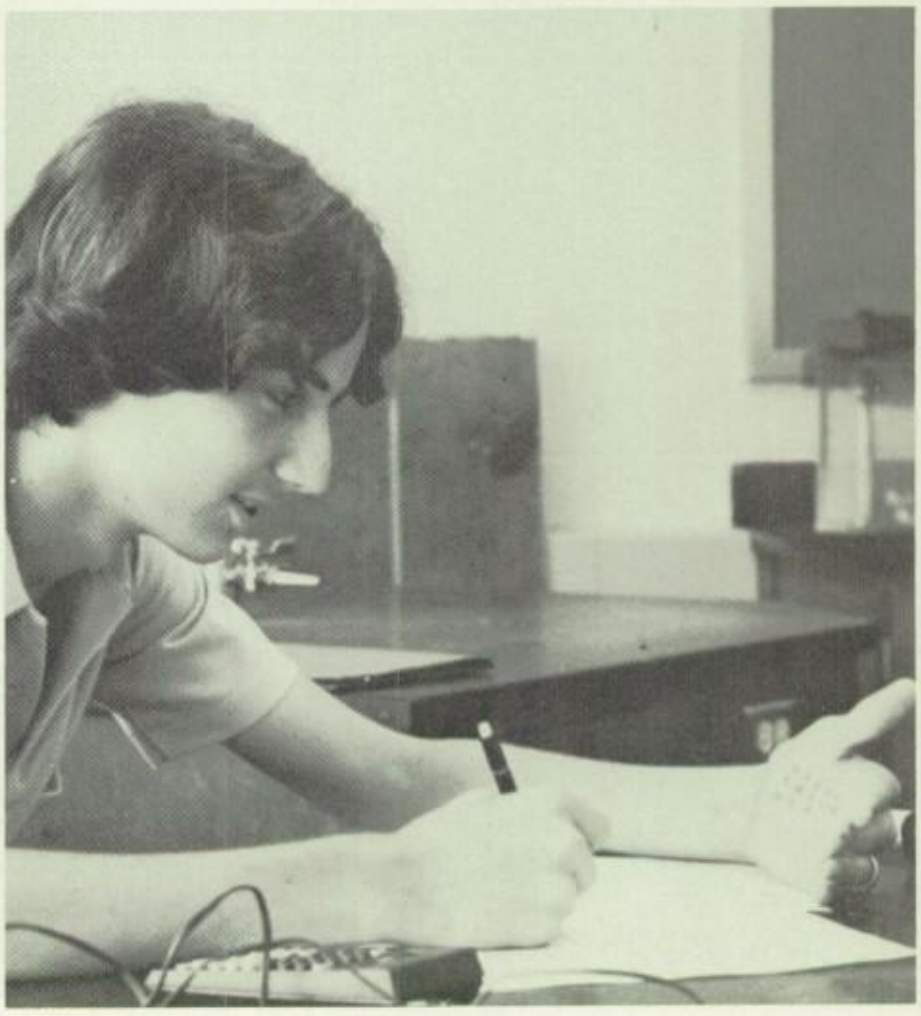
The Stowaways



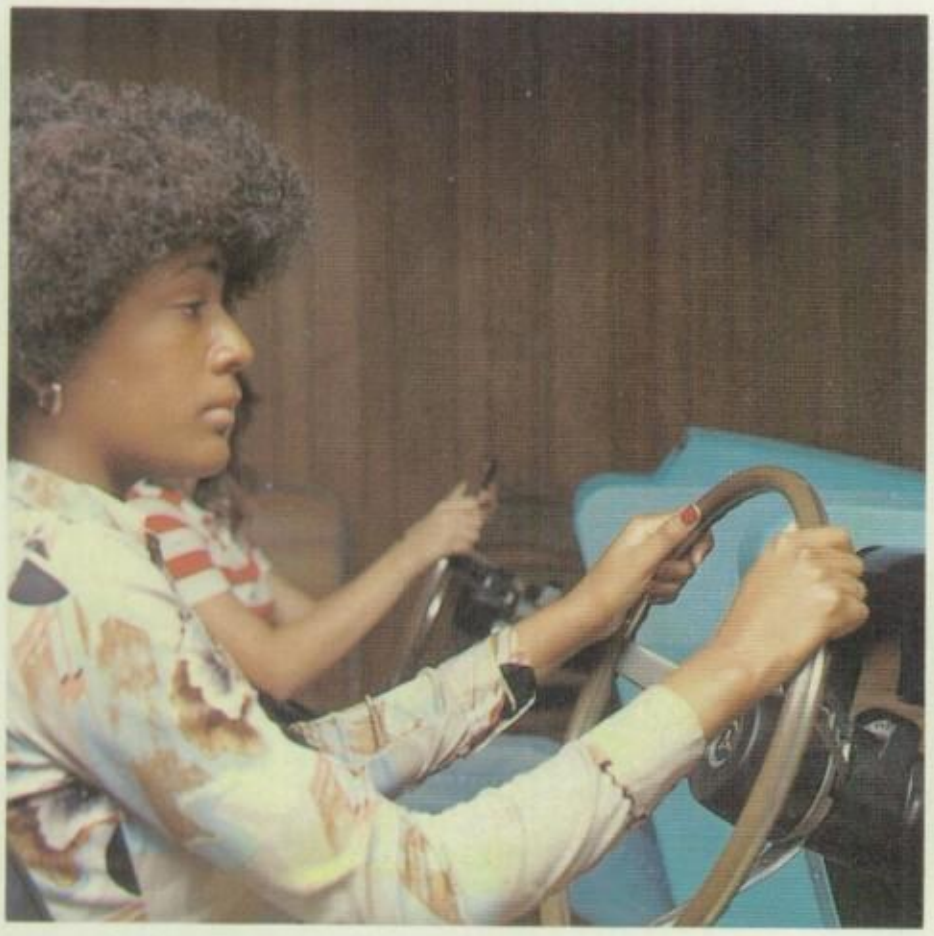


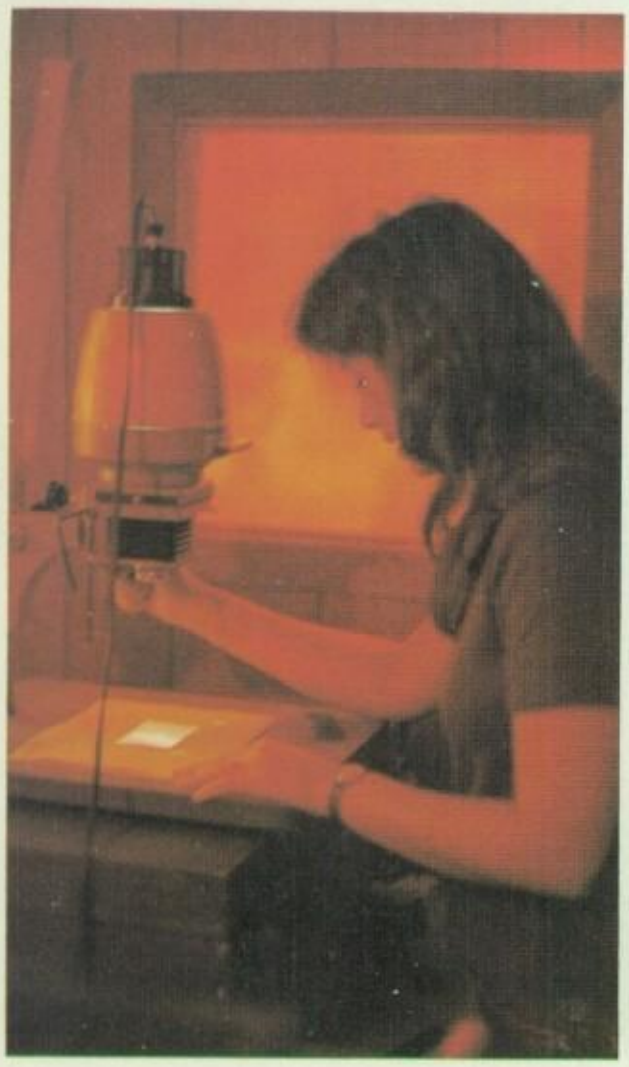
Culprits lurk the hull of the B×W×S× ship in their many different disguises × Pinpointing their motive as looking for the easy way out× Cheating on tests is just some of their handy work× The fate of these unruly souls is nothing less than walking the plank×





The Supercargos



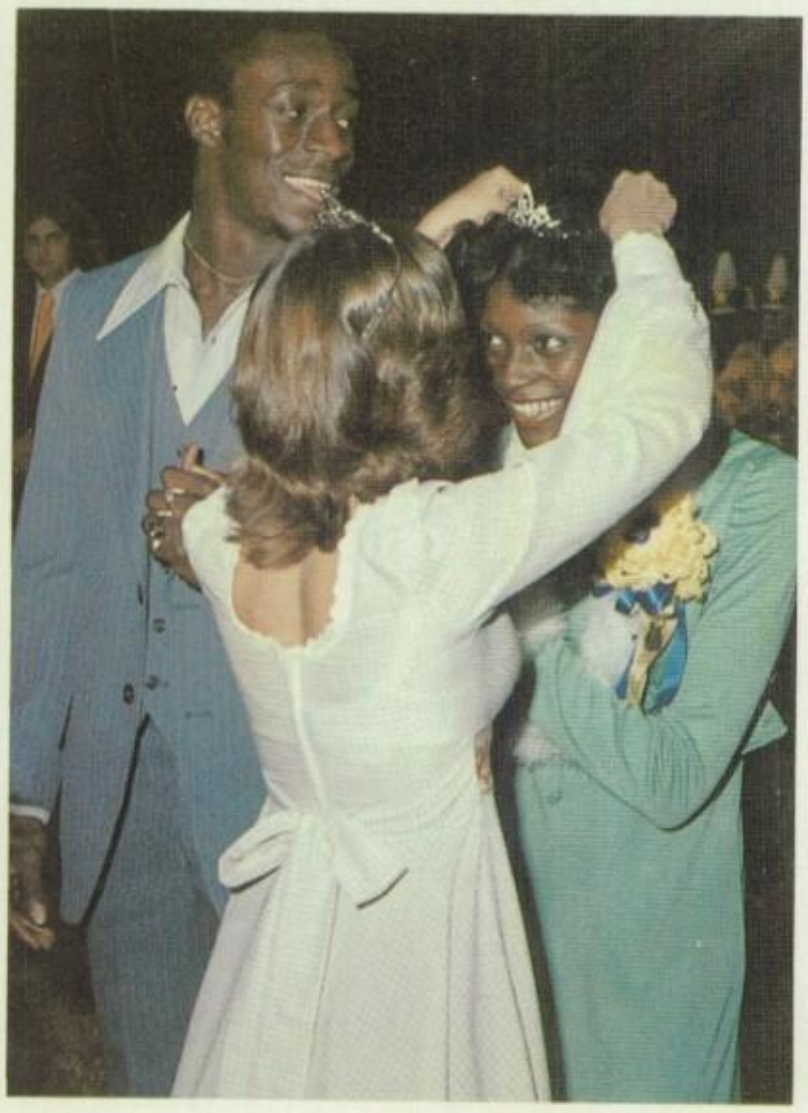


All hands on deck! All crewmembers are called to the main deck to carry out the ship's duties of the day. These hardworking shipmates are the ones who keep this noble vessel afloat.

Shore Leave

Taking liberty, the Pirates all work together in anticipation of the evening's festivities. Homecoming Day, a spirited time for every shipmate, proved to be well worth the effort of working on the parade. Drama Club won 1st in the float division & National Honor Society received 1st place in the car divison.

Ports of Call



After being at sea for three weeks, the B.W.S. Pirates pulled into port and celebrated their Homecoming. The Queen, Frida Williams, was accompanied by the maidens of her court. After the game, the crew attended a dance featuring the live entertainment of "Nava".

Day's Duty

A typical day on the rig will find much of the crew working on their assigned tasks. Every mate, resigning himself to four years of hard labor, devotes his deepest concentration and utmost care to work on his day's duty.

Alma Mater

Within Glynn's Marshes proudly stands,
beneath the Blue — on golden sands;
our beloved Brunswick High
for whom devotion cannot die.
Thy tradition we shall bear
with growing honor, pride, and care.
Ever cherished we shall hold,
the glory of the blue and gold.
The Pirates Emblem shall convey
the might with which we work and play;
and ever sacred we shall keep
the lessons, victories, and defeats;
Brunswick High School we salute,
as we now pay a proud tribute.
Ever cherished we shall hold,
the glory of the blue and gold.

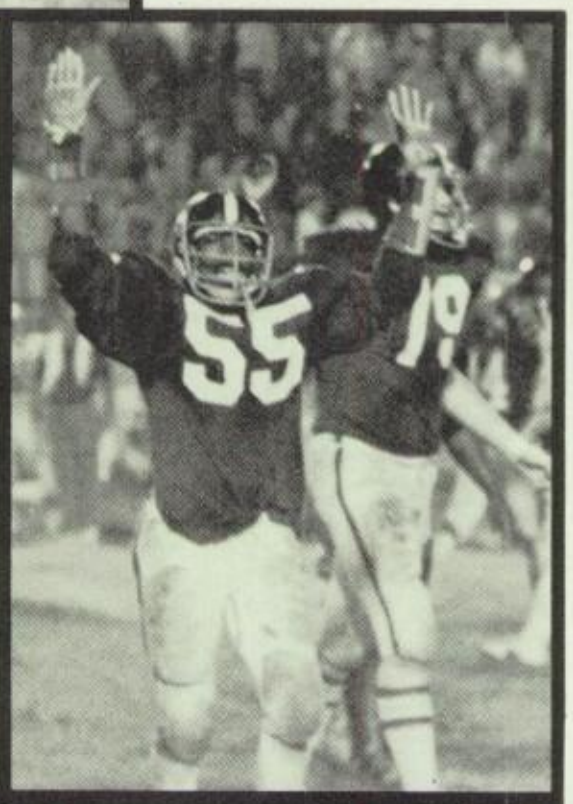
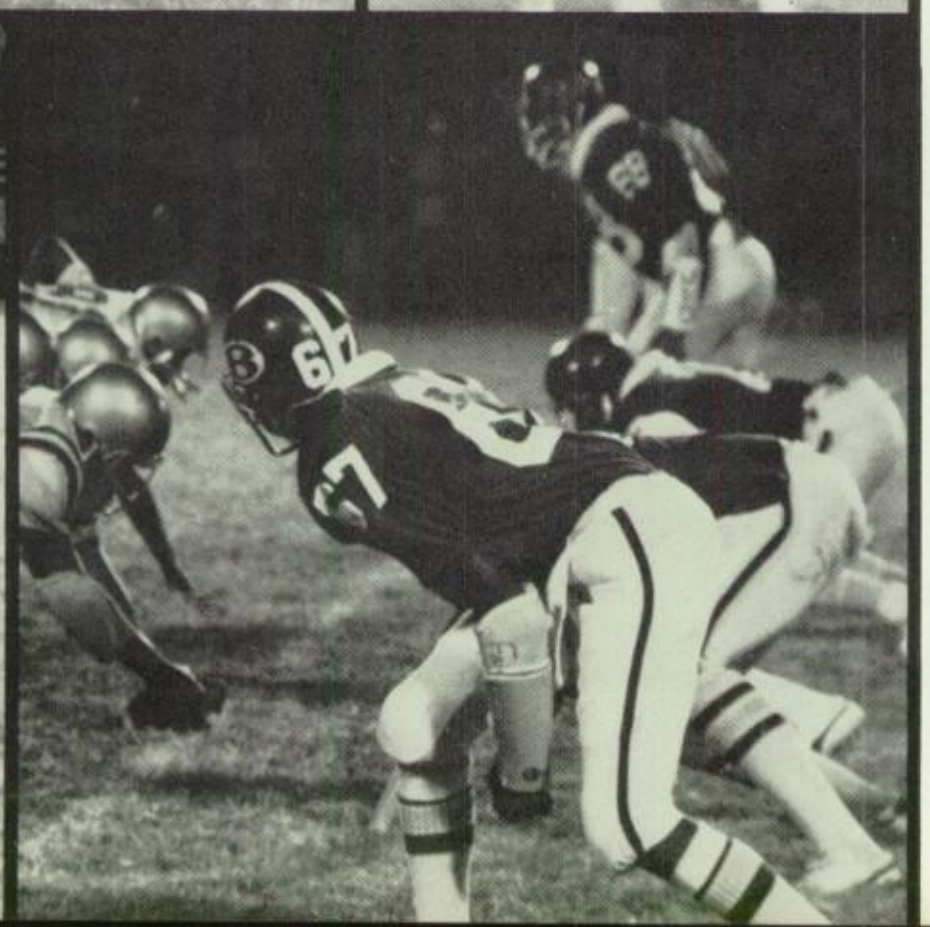
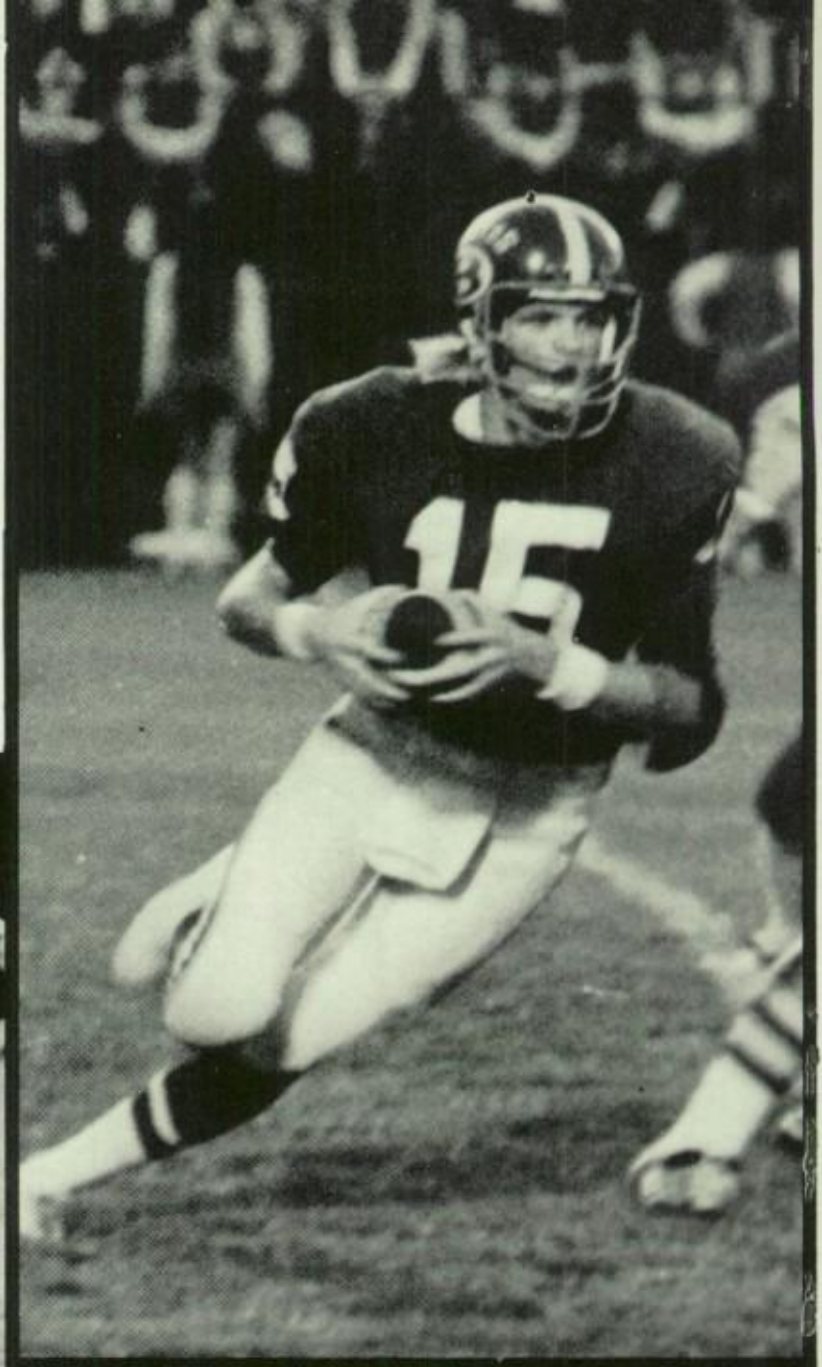
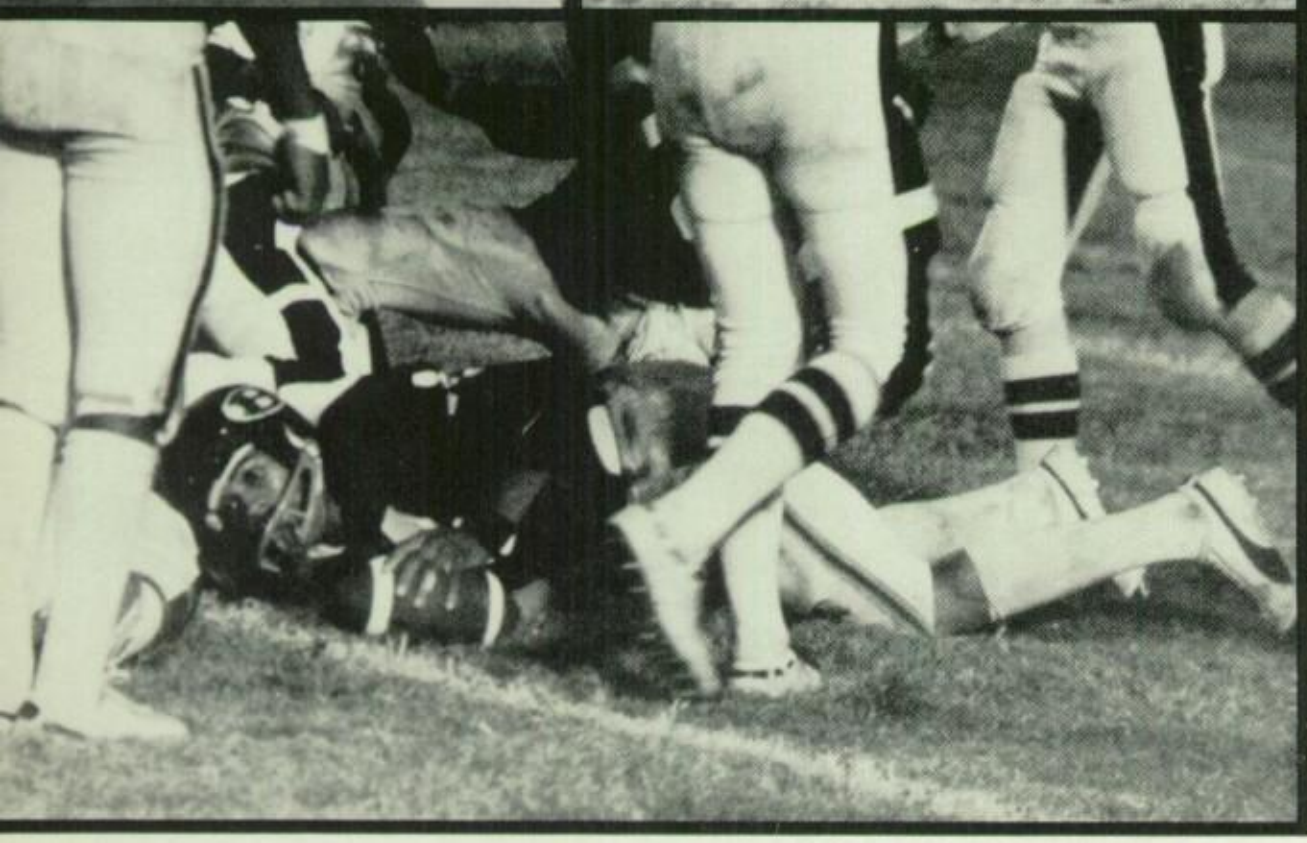
SENIORS

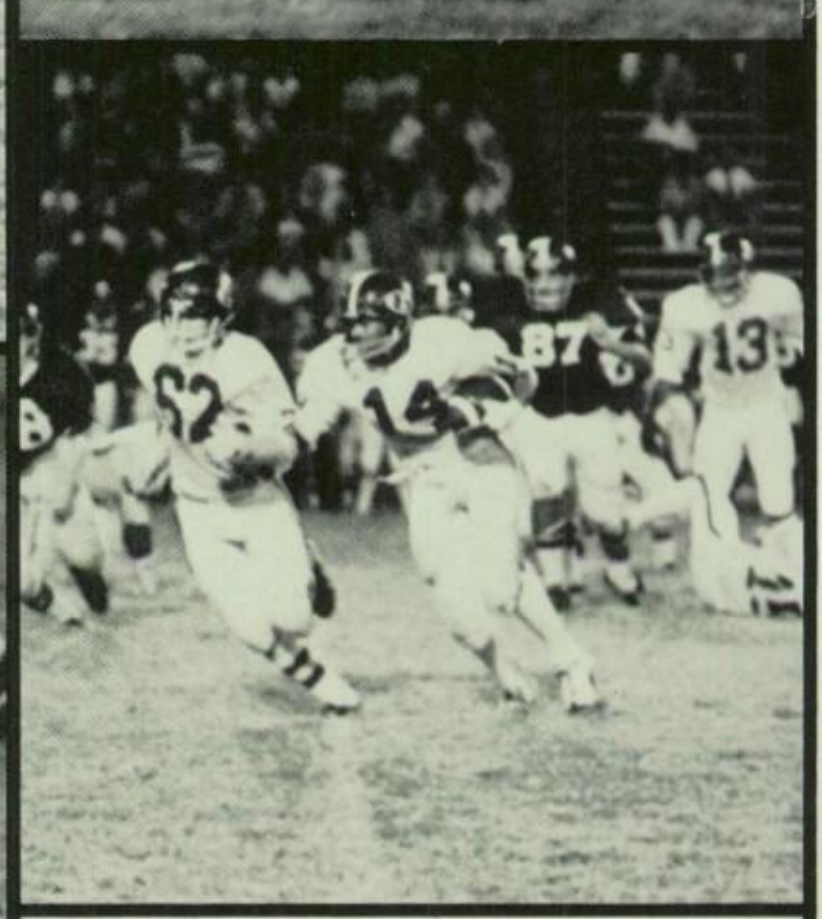
Front Row: Steve Holland, Lanoris Armstrong, Bobby Hayes, Troy Moody, Don Peters, Keith Paseur. **Back Row:** Lennis Miller, Randall Wilson, Rene Clark, Johnny Hillery, Carl Blanton, Craig Hubbard.

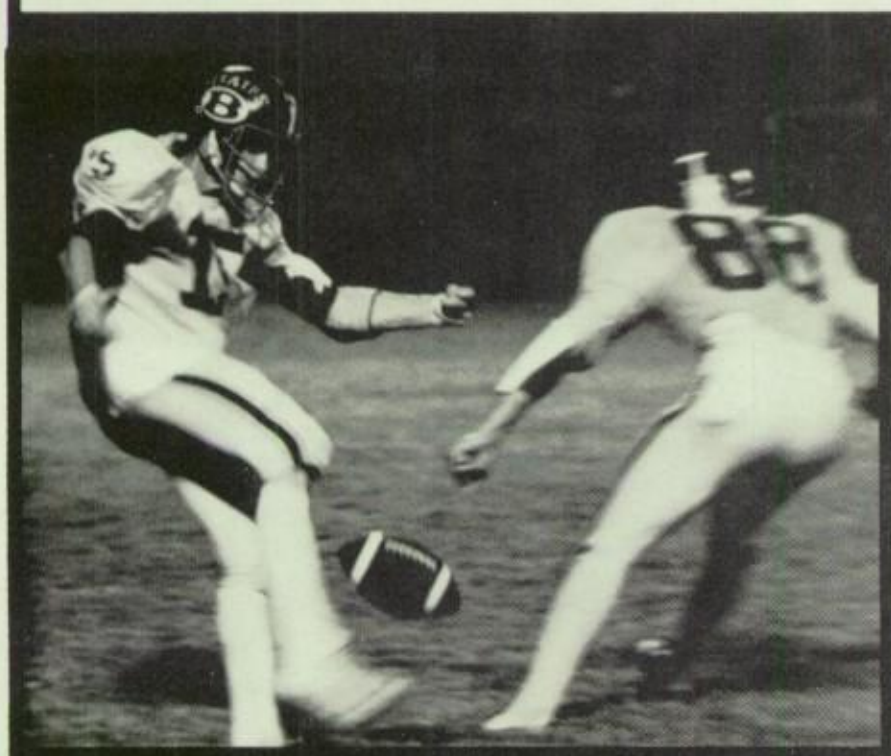


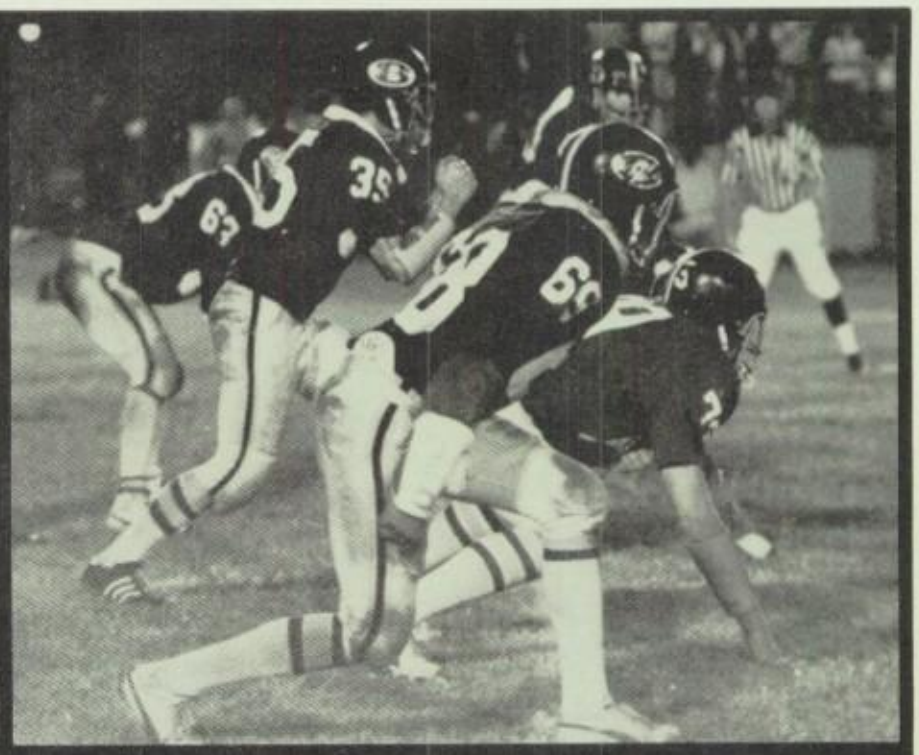


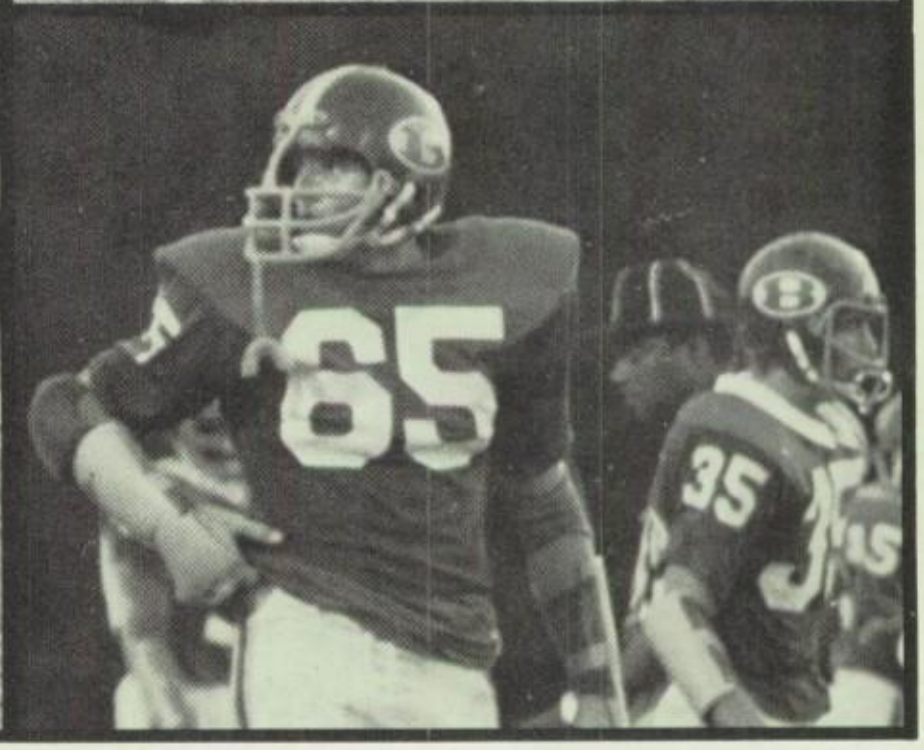










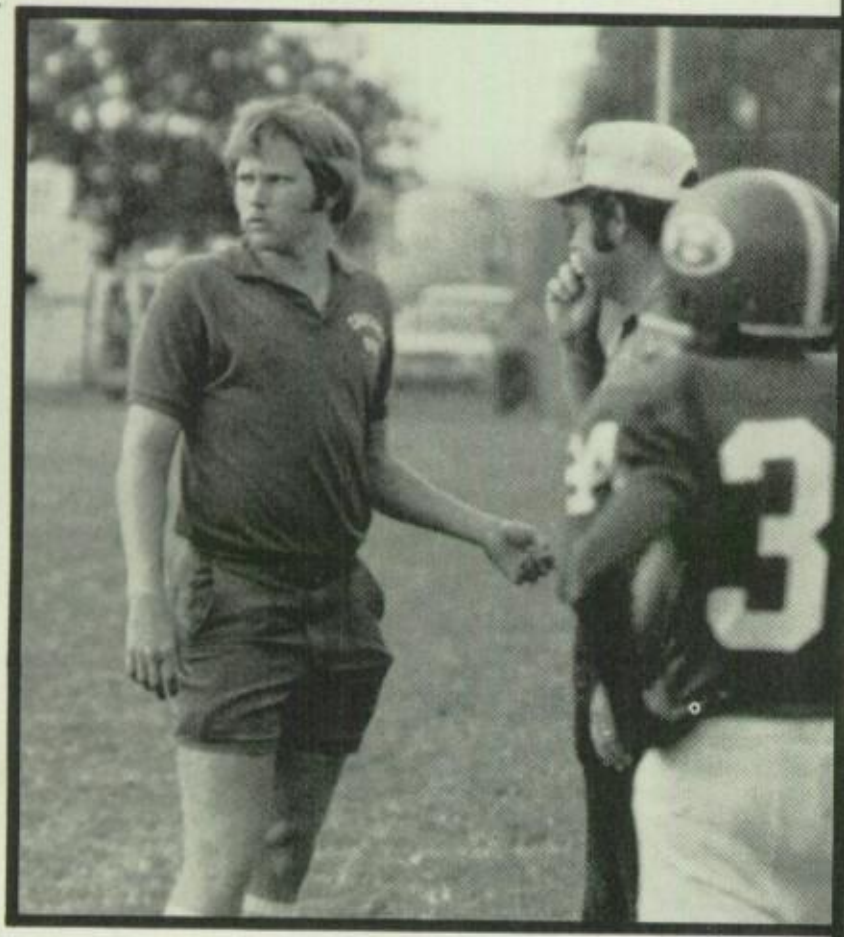


In the beginning of the 1977 football season, the Brunswick High Pirates were very optimistic. In the words of most of the players, "There isn't a thing we can't do." Looking back over the season, one can certainly see one very obvious thing about the Pirate football team — they never lost the desire to be winners. Even though the dominantly young team had only a 4-6-0 season, they never lost by more than 16 points, nor were they ever shut out.

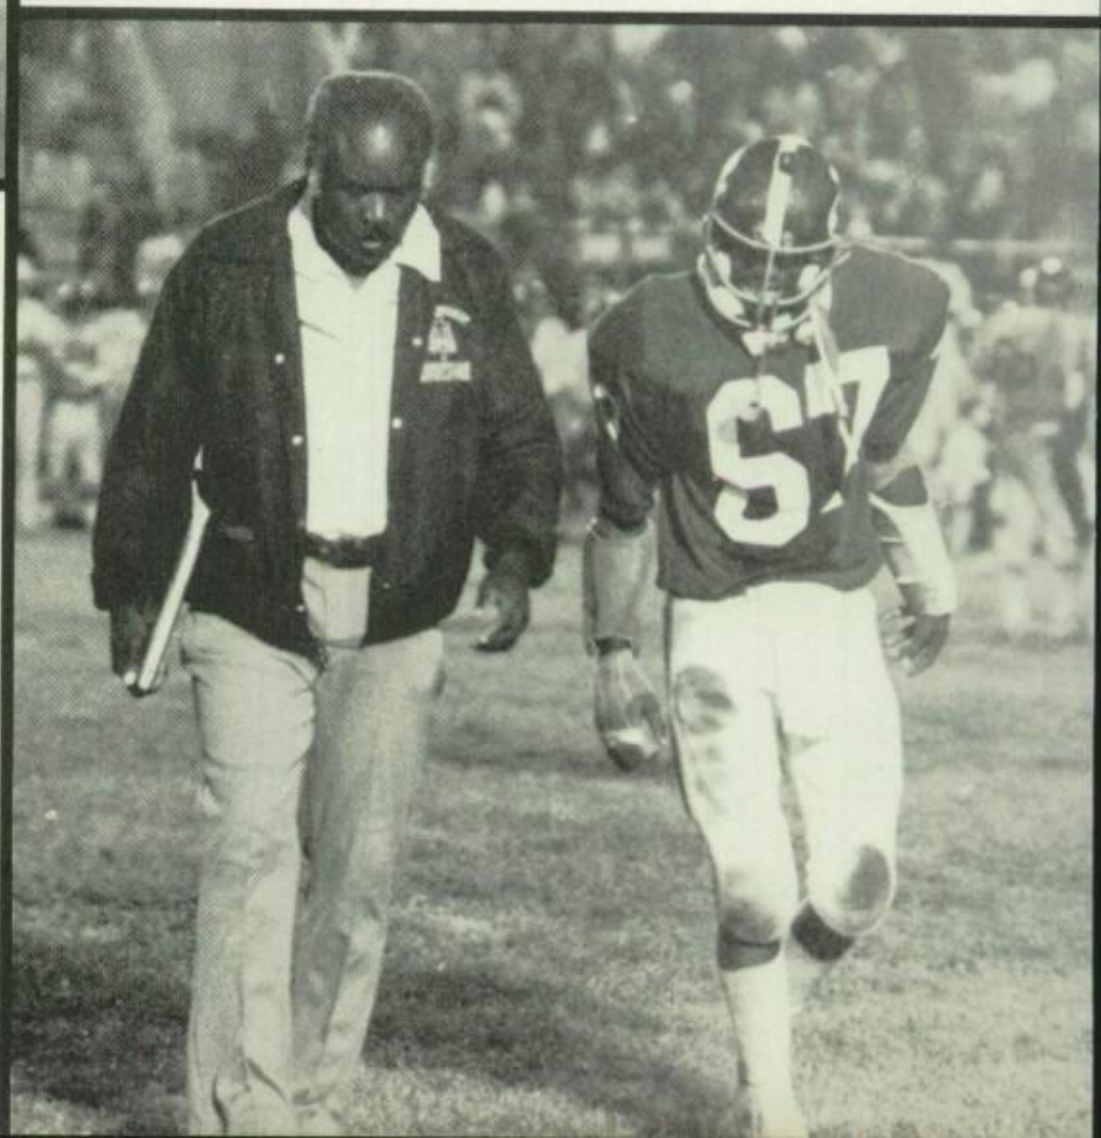
The team had two new additions to its staff, Coach Fletcher and Coach Couch. Coach Fletcher coached the Junior Varsity and scouted the upcoming teams for the Varsity. Coach Couch, a former pirate, was the new offensive line coach.

The Pirates lost to Statesboro, Tompkins, Benedictine, and Wayne County in the first four games. In their fifth game the Pirates rolled over Beach for the first win of the season. The Pirates lost their sixth and seventh games to Svannah and Jenkins. Then the Pirates had three consecutive wins over Windor Forest, Jenkins, and Glynn Academy. Both the Varsity and Junior Varsity of BHS obtained the City Championship.

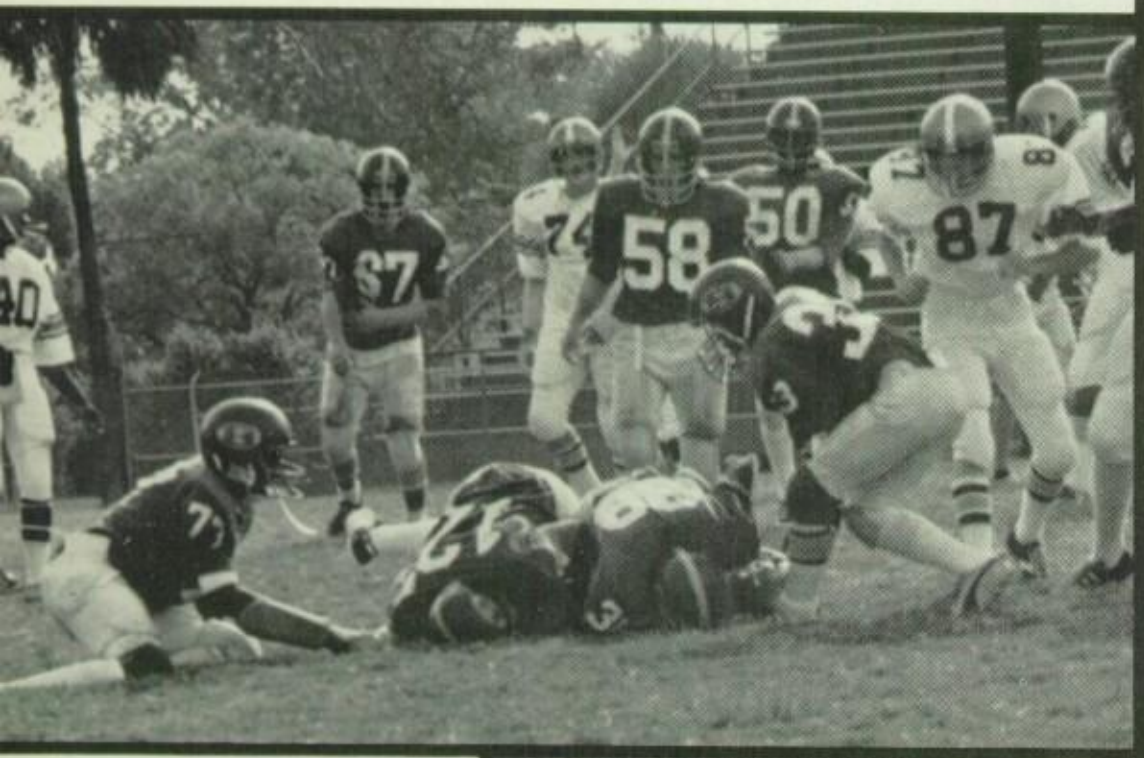
COACHES

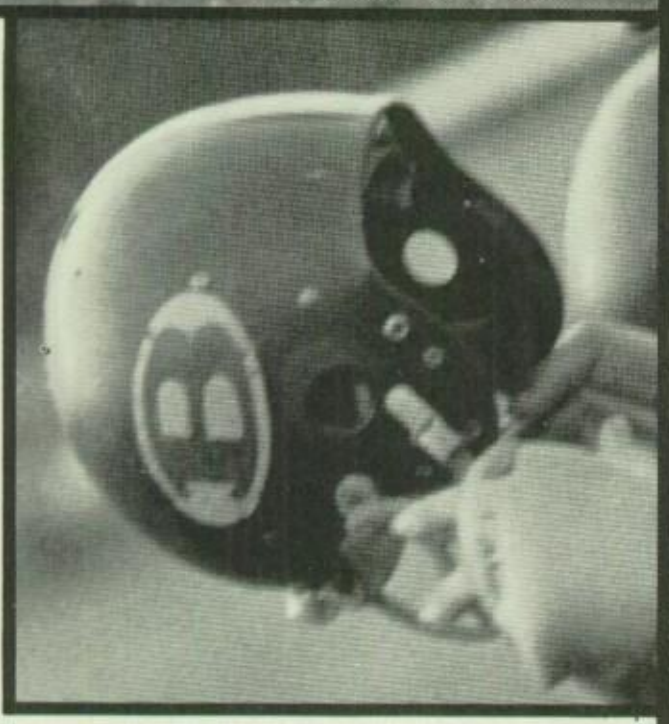


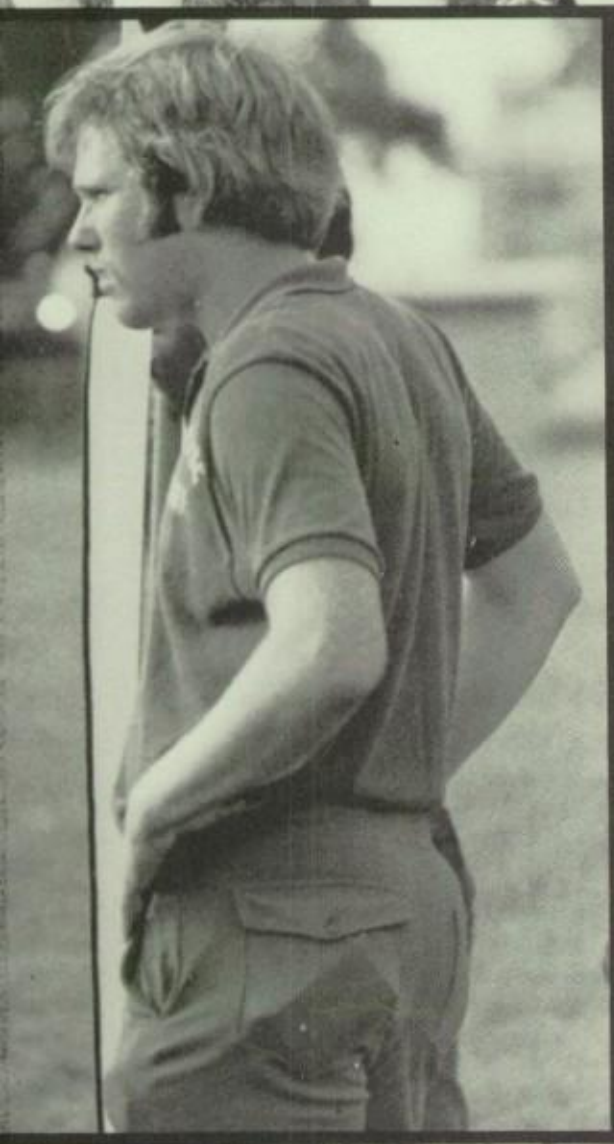
Bottom Row: Alan Couch, Charlie Frazier. **Top Row:** Randall Fletcher, J. L. Williams.



JUNIOR VARSITY FOOTBALL

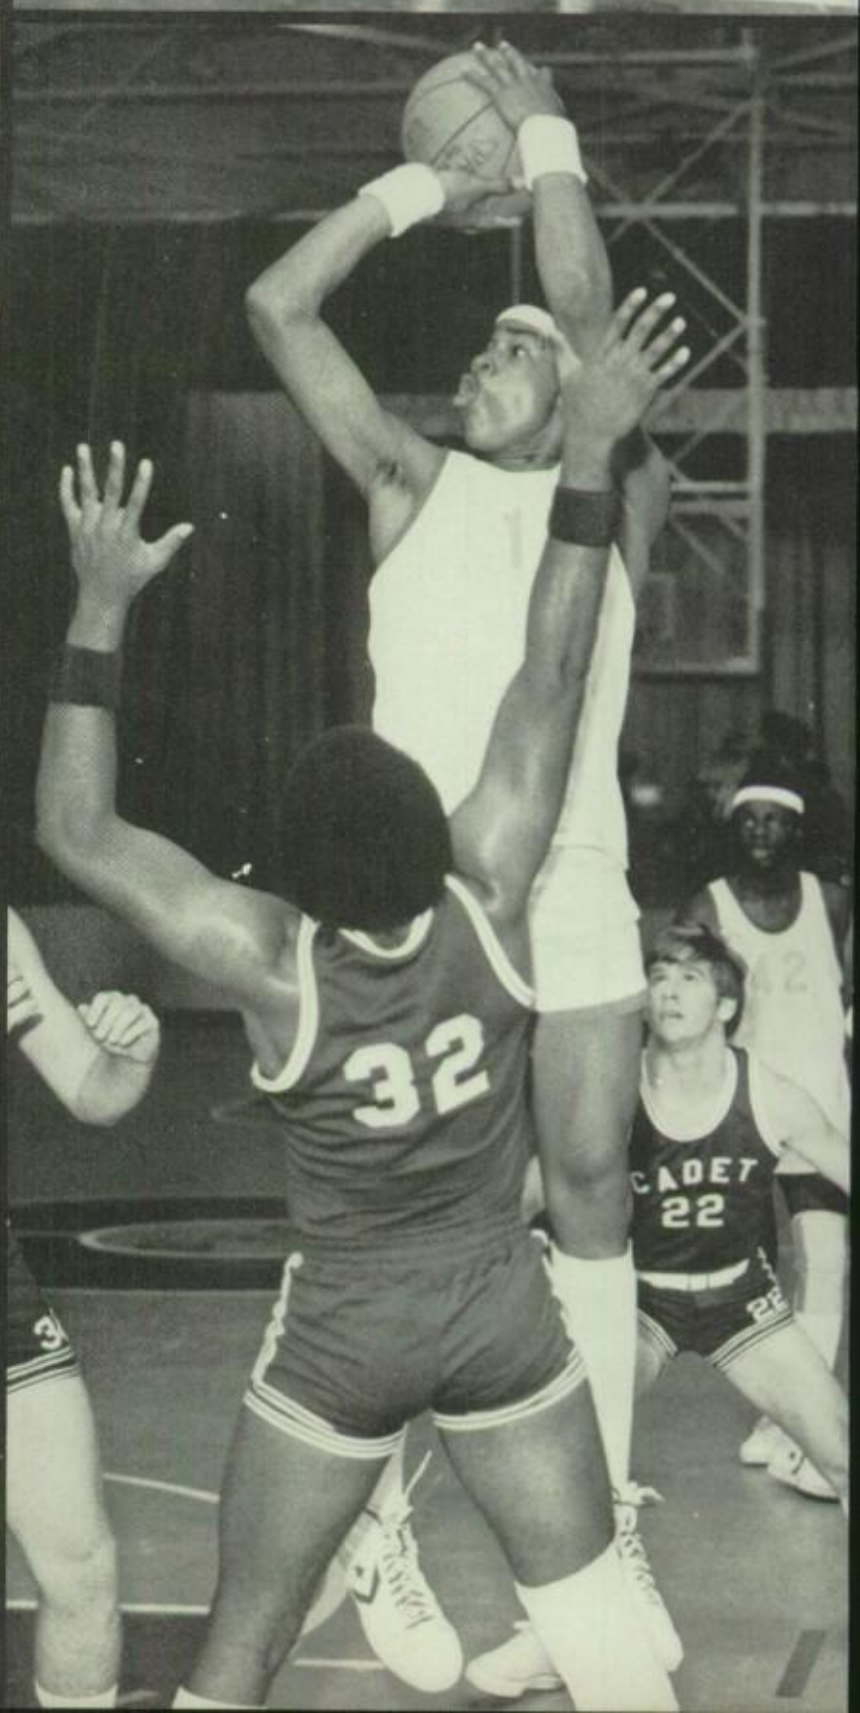


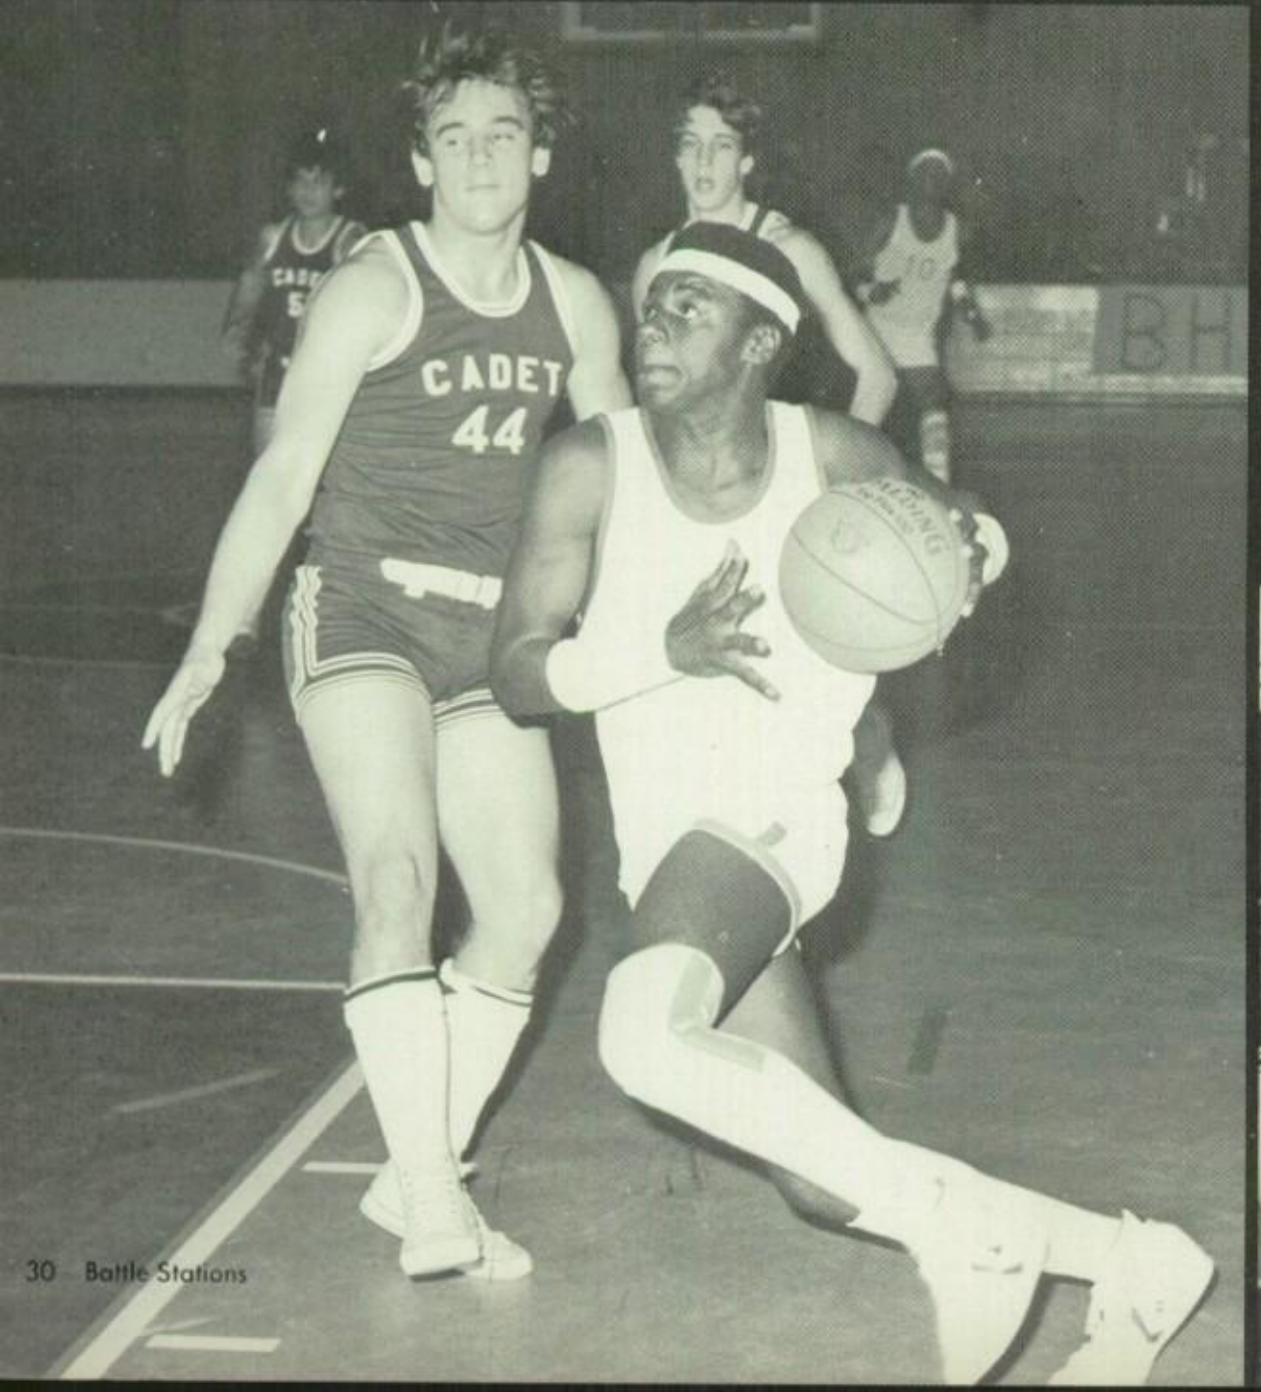




The B.H.S. J.V. ended its six game season with a 3-2-1 record. The J.V. won their season opener against Glynn Academy's J.V., lost the second to Camden County, they then defeated Wayne County, but lost to Bradwell Institute. In their fifth game the J.V. tied Wayne County. After that they defeated Glynn Academy for the J.V. City Championship.

BASKETBALL





Back Row: Keith Paseur, Tyrone Spaulding, Calvin Davis, George Mincey, David Thomas. **Front Row:** Ed Hines, Ricky Mobley, John Swiney, Rick Cash.

VARSITY

Although the 1977-78 BHS basketball team had a hard act to follow from last year, there were many outstanding events during the season.

Robert Johnson, who made the Honor Roll in the Atlanta Constitution, led in scoring in three consecutive ball games.

In the Groves game the team topped the ship's highest score for one game by putting 106 points on the board.

Under their new head coach, Randy Fletcher, the team had all new starters this year. They are Ricky Cash, Calvin Davis, Ed Hines, Robert Johnson, Ricky Mobley, Tyrone Spaulding, and John Swiney.

With an overall record of nine wins and sixteen losses, the pirates look forward to a winning season next year.

GIRLS

A new addition to the realm of our ship's sports is the Girls' Basketball Team. Under the coaching of Ms. Bobbie Joplin, the team, composed mostly of Petty Officers and Swabbies, practiced long and hard to perfect their skills. Although they did not win any games this year, the girls did have a chance to participate in the widely acclaimed game carrying the Brunswick High Pirate name. The team has the ship's full support for next year.

Back Row: Morris Campbell, Bubba Hopkins, Charles Stanley, Marvin Curry, Eugene Gregg, Michael Nelson, Joey Miles, Warren Lawrence. **Front Row:** Ronnie Davis, Paul Thomas, Gary Anderson, Larry Anderson, Aldren Arnette, Joe McLendon.

JUNIOR VARSITY

The 1977-78 Junior Varsity Basketball team had the overall outstanding record of fifteen wins and one loss. With the coaching of Charlie Frazier, the JV team not only holds the best record in the ship's history, but they were region champions as well.

The Jenkins game was probably the best game of the season. Playing a close ball game, they were able to do what they had practiced for in tight ball games.

Although the scoring game was attributed to team effort, Marvin Curry was the top rebounder.

The Junior Varsity players will definitely contribute to the Varsity's winning season next year.

The mates of the 76-77 B.H.S. Track Team gave Admiral Jonathon Williams something to be proud of. In region competition the pirates received second place in the discus, third place in the triple jump, and two fourth-place positions; one in the 440 dash and the other in shot put.

Yelling, jumping, and cheering, these dedicated Pirates raised the Pirate Spirit at all the pep rallies also. The Varsity Cheerleaders attended summer camp this year receiving a total of six awards. With Cindy Kroscavage as Captain and Margaret King as Co-Captain, the cheerleading squad led the Pirates in supporting their worthy teams.

JUNIOR VARSITY CHEERLEADERS

They also helped out during freshman orientation teaching the incoming shipmates cheers. Faithfully practicing after each day's duty, the J.V. cheerleaders prepare to become members of the Varsity Cheerleading Squad. The J.V. Cheerleaders keep the crew in high spirited support of their teams.

BAND

THE VOICE OF THE PIRATES

The BHS band, crowd-pleasing entertainers, kept the Pirate spirit alive as they played the fight song at pep rallies and contemporary music during half time at all the football games. The themes from the movies **Star Wars** and **Rocky** were two of the mates' favorites. The thrill of performing on the football field made early morning practices on the BJC campus worth the trouble. After marching season was concert time which included not only concerts but Festival and All State tryouts as well. As added entertainment, the band sponsored a concert featuring the Valdosta Jazz Band.

DRAMA

Break a Peg Leg

The Pirate Players in the Drama Club are constantly working to broaden a shipmate's knowledge in acting and to provide entertainment for the entire crew. Creating and performing skits for pep rallies and practicing for a play production at the end of the year, the Pirate Players won in one-act play competition this year with their production of "The Refuge." For the second year in a row their Homecoming float won first place.

STUDENT COUNCIL

The Harder We Work the Behinder We Get!

Assuming the responsibilities of a representative body was a job well handled by the Student Council. One of their largest tasks was preparing for Homecoming which included the parade, dance, and queen election. Hours were spent working on banners and other hall decorations that supported the Pirate team. Sponsoring a faculty breakfast and decorating the teachers' lounge for each holiday were some of their activities this year. Some community services our Student Council devoted their time to were sponsoring the Blood Drive, donating a Thanksgiving basket to the needy, and collecting canned food donations at Christmas.

RACQUET

Future Pros?

Pirates who enjoy playing tennis find opportunity and competition in the Racquet Club. Having the ship's tennis court privileges, the Racquet Club also has the responsibility of keeping the courts in good shape. Supplying the mind and the muscles, the Racquet Club has proven to be an asset to the vessel. Heading this year's crew are Rex Stalvey as Captain, Jeff Wyrick as First Mate, and Stephanie Smith as Log Keeper.

Top to Bottom: Rex Stalvey, Lisa Hutchinson, Michelle Fosnow, Stephanie Smith, Angie Tiner, Julie Johns, Jeff Wyrick.

FFA

Cream of the Crop

Growing things is the business of the Future Farmers of America. After sending a representative to the FFA National Convention, these pirates participated in local, district, and state fairs. Attending the district rally held on Jekyll Island, the members were also present at the state rally in Macon. To end another fertile year, the BHS Future Farmers of America held their annual banquet with Glynn Academy's FFA. This year's captains are Marie Williams — Captain, Randy Powers — First Mate, Philip Peters — Log Keeper, Mike Stowe — Treasure Keeper, Cindy Oglesby — Reporter, and Glenn Lee — Watchman.

Front Row: Phillip Peters, Denise Griffin, Donna Smith, James Bigford, James Stewart, Glenn Lee, Glenn Erwin. **Back Row:** Randy Powers, Anita Childree, Tammy Smith, Mr. Lovvorn, Michelle Little, Reggie Habersham, Timothy Hames, Gail Morris, Mr. Grinstead, Steve Futch, Nathan Miller, Billy Toler.

RISING SURF

Collections, Reflections, and a Lot of Laughs.

Preparing a literary magazine by and for the shipmates, the Rising Surf Staff selected poems, essays, plays, and artwork from the contributions made by the ship's crew. After the selections are made and compiled, the magazine was printed in graphic arts and then sold during spring quarter. The Rising Surf Literary Magazine is an opportunity for shipmates to express themselves in a book they can treasure forever. Joan Rigdon is this year's captain, Dwala Nobles — First Mate, Cindy Newbern — Treasure Keeper, and Bunnie Seckinger — Log Keeper.

Sitting: Jackie Sanders, Sue Bevan, Dwala Nobles, Joan Rigdon, Sheila Ashley, Bunnie Seckinger. **Standing:** Kathy Silva, Mrs. C. Brown, Mrs. Napier.

JOLLY ROGER JOURNAL

Deadlines, Deadlines and Still More Deadlines!

In keeping all roustabouts informed of the latest news, the Jolly Roger Journal recognized outstanding crewmembers, printed the latest club news, and reported on sports events. Hours of hard work and dedication go into each newspaper printed.

L to R: Annie Julian, Sherrie Mobley, Sheila Ashley, Perry Tucker, Vickie Rozier, Karen Brunegraff, Allison James, Cathy Silva, Carl Blanton

FOREIGN LANGUAGE

What'd He Say!?

Combining the Spanish and French Clubs this year proved to be a successful move. To start the year off right, the Foreign Language Club held two garage sales to raise funds for future purposes. These pirates added color to the Homecoming Parade with their entry of a car. Preceding a disco in February, the club had a Valentine banquet at which foods from foreign countries were the only dishes served. This year's captains are Cindy Kroscavage — Captain, Pat Hutcherson — First Mate, Norma Ference — Log Keeper, Alan Gailey — Treasure Keeper.

Byron Kroscavage, Norma Ference, Debbie Wilson, Pat Hutcherson, Cindy Kroscavage, Elizabeth Mayo, Marjorie Erhlich, Janet Harris, Allen Gailey, Vickie Ponce, Claire Deal, Karen Brunegraff, Cindy Brunegraff, Annie Julian, Cathy Silva, Allison McGrath, Laurie Flowers, Kathy Bonnett, Laura Moore

CUTLASS

The Log Keepers

Trying to capture a year in pictures and print is the gigantic task tackled each year by the staff and its advisor. The keepers of the Log have spent many hours at hard work putting together this year's Cutlass — the production of a year on board a Pirate ship, the log of day-to-day activities, the treasure of every Pirate. This year's crew includes Bunnie Seckinger as Captain; Sue Bevan as first mate, and Dwala Nobles as the treasure chest keeper.

Front Row: Janet Harris, Larrie Wilkes, Debbie Wilson, Lauran Clark, Renee Strickland, Eddie Vanderbeck, Danny Steele. **Second Row:** Gary Floyd, Jeanie Fitzpatrick, Anna Oliver, Edwin Ashley, Dwala Nobles, Bunnie Seckinger, Sue Bevan, Tommy Cox, Kevin Perry, David Hatala. **Not Pictured:** Cindy Newbern.

Work My Fingers to the Bone

Concerned with market distribution management, and service, the members of the Diversified Educational Clubs of America gain occupational experience through part-time employment. Offering opportunity at a variety of jobs, DECA gives the shipmates a chance to participate in business and still complete duties on the rig. If not working as a desk clerk in a hotel or a salesperson in a shoestore, a DECA member may be found working in the circulation department of the Brunswick News. This year DECA's crew is headed by Dobie Strickland as Captain, Carol Batton as First Mate, and Donna Blount as Log Keeper.

Front Row: Becky Herndon, Patty Davis, Lori Faircloth, Susan Gordy, Mary Meeks, Carol Batten, Sandra Lawrence, Vicki Miller, Robin Lee, Janis Moran. **Second Row:** Gary Cox, Susan Henderson, Teresa Crumbley, Bobby Hunter, Steve Bennett, Dobie Strickland, Bryan Nettles, Linda Young, Donna Popwell. **Third Row:** Brenda Woodard, Cindy Miller, Mike Leverette, Scott Park, Henry Heitman, Wayne Smith, Keith Hogarth, Bernard Diggs, Mitch Sweeney.

ART

Map Makers

Shipmates who enjoy creating with their hands belong in the Art Club. They had a craft sale in the early part of the year and entered a float in the Homecoming parade. All the members combined their efforts in a car wash and bake sale to raise funds for the club. A new project of the Art Club this year was selling Pirate's blue and gold hats. This year's crew is headed by Rex Moon as captain, Gloria Truitt as first mate, and Vickie Roberson as the Treasure Keeper.

Front Row: Mary McCloud, Tammy Land, Tonia Rowland, Bunnie Seckinger. **Second Row:** Vickie Roberson, Rex Moon, Tammie Howell, Gloria Truitt.

VICA

Two Bits, Four Bits, Six Bits a Dollar, All for a Raise Stand Up and Holler

The Vocational Industrial Clubs of America offer the crew the opportunity to work as well as attend classes on the daily duty roster. Getting a head start in the business world, the members of VICA learn how to handle on-the-job situations at an early age. Leaving the duties of the ship at 1:00, some VICA members can be found working as typists at Sea Island Company. Heading the crew this year is Julie Sullivan as Captain, Kay Townsend as First Mate, Debbie Tankersley as Log Keeper, and Greg Crosby as Treasure Keeper.

Front Row: James Stewart, Curtis Little, Dixie Crews, Marie James, Kay Townsend, Karen Chapman, Julie Sullivan, Donna Crawford, Patricia Chancey, Phil Horvath, Katrina Blaton, Donnie Bankston, Allen Tolbert, Theresa Pickren. **Second Row:** Charles Armstrong, James Bolinger, Greg Crosby, George Mosley, Eric Williford, David Manning, Samuel Huggins, Steve Pello. **Third Row:** Allan Abrams, Chico Klatt, James Beverly, Dwayne Newbern, Danny Floyd, Gary Mallard, Andy Taylor, Emory Boyd.

Check Mate?

For those who enjoy an intellectually stimulating game there is the Chess Club. In its second year on the vessel under the direction of Mr. Moran, the BHS Chess Club has nearly doubled its size. New faces in the club brought new strength as the team prepared to challenge Glynn Academy's Chess Club. This year's Captain is Steve Lanier, First Mate — Brett Mathes.

Front Row: Beverly Fusner, Babs Whitten, Jannie Norris. **Second Row:** Becky Lau, Brenda Mathis, Beth Hoggard, Gail Morris, Debbie Brooker, Linda Young, Linda Holliman, Christine Hiott, Lea Ann Faulk, Mary Ellen Brown.

Kids Helping Kids?

One of the newest clubs on the vessel, the Home Economics Related Occupations club has made many contributions to the younger set of the community. Most of their time was spent doing volunteer work at the day care centers and kindergarten in town. Dedicating their time to preschoolers, these pirates held parties for the little mates for Thanksgiving, Christmas, and Valentine's Day. Field trips to day-care centers enriched the members' knowledge of how to care for children.

DEBATE

Pros and Cons

Arguing the complex topic of governmentally controlled health care for the United States, the debate team came in a close second in the region tournament. Hours of research, discussions of possible debate strategies, plan compositions and the debate itself are what the debate team is all about. Evidence, logic, reasoning, and the proper use of debate theory will produce a winning team next year.

Front Row: Tonia Rowland, Cathy Silva, Cindy Newbern, LeShan Ogden. **Second Row:** Mr. Holt — advisor, Mike Stowe, Scott Newbern, Dixie Crews, Mrs. Rex — advisor.

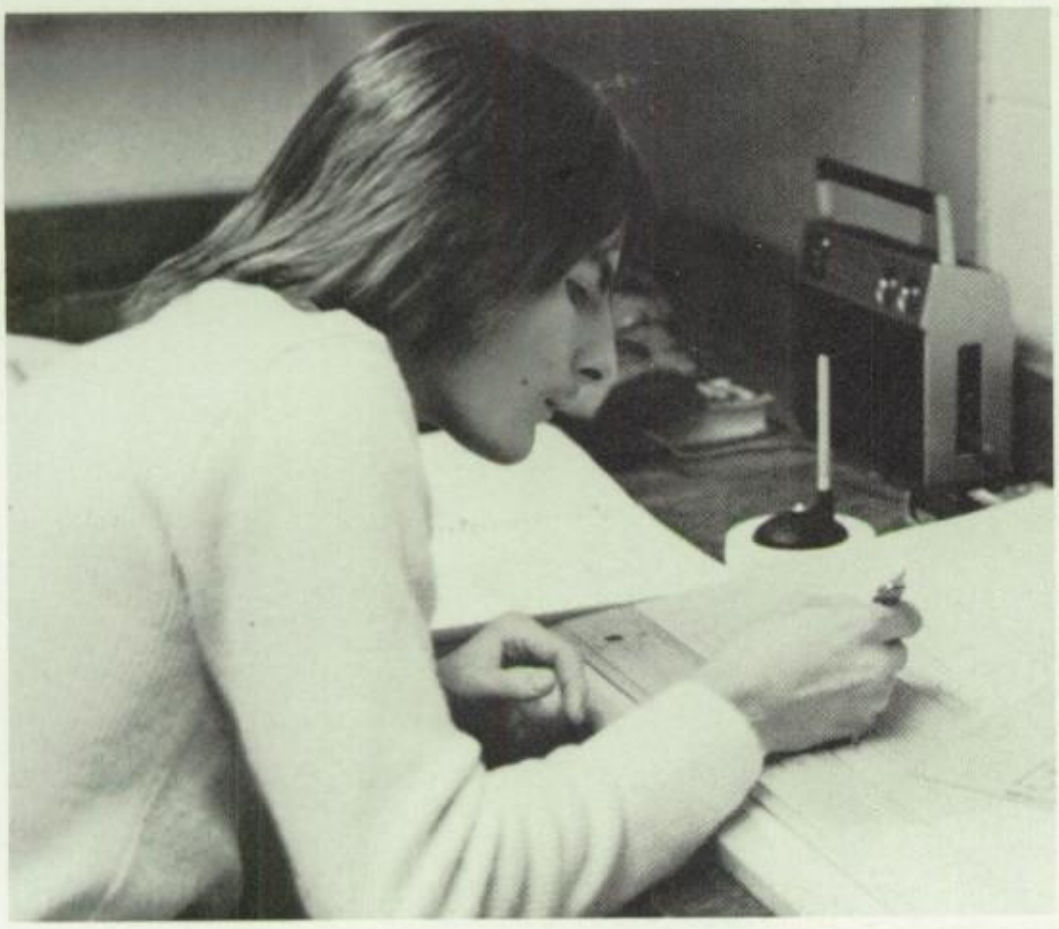
TYEHIMBA

Disco Mania

The members of Tyehimba offered the crew a lot of entertainment by sponsoring discos throughout the year. Besides donating Thanksgiving and Christmas baskets to the needy, the Tyehimba Club also gave coats to needy children. Joining in the Homecoming Celebrations, these pirates entered a float in the parade. The Tyehimba Club has certainly remained an active club. Avis Dawson heads the crew as captain, with Tyrone Spaulding — First Mate; Audrey Gibbons — Log Keeper; and Andrea Cooper — Treasure Keeper.

Front Row: Caroline Lewis, Michelle Johnson, Andrea Cooper, Margaret King, Salina Daniels, Audrey Gibbons, Chapelle Williams, Gail Grant. **Second Row:** Dorothy Robinson, Fredia Williams, Edgar Diggs, Calvin Davis, Kevin Perry, Avis Dawson, Natascha Watson, Levoria Henderson, Latonia Johnson.

ISS



Tidal Pool

Forming their own theories and conclusions from experimentation on an individual basis, the Pirates involved in Independent Science Study Courses are a group of hard workers. Practically the entire year is spent preparing projects for the annual symposium. Each mate prepares a paper to be judged on a statewide level. If he wins in state, his project advances to national competition. ISS is building tomorrow's scientists.

ICC

The Morning Summit Meeting

With the benefit of the entire crew in mind, the Inter Club Council strives to direct the interests and activities of each club toward the betterment of the ship as a whole. Donating a Thanksgiving basket to the needy, ICC also gave a Christmas party for the children at the Glynn County Training Center. ICC's main endeavor was to represent members of all the clubs in the support of all projects to improve our vessel and the community. Ricky Mobley heads the crew as captain, Keving Perry as First Mate, and Claire Deal as Log Keeper.

SCIENCE

Mrs. Grace, "Guess What We Found This Time?"

Seeking a better understanding of the world around us, the Science Club invited speakers from the scientific professions to speak at their meetings. Field trips were taken in the spring for the purpose of scientific exploration.

To raise money for the club, the members participated in a donut sale in the fall. For Thanksgiving they donated a basket of food to the needy. This year's Captain is Lori Cobb with Bunnie Seckinger as First Mate.

Front Row: Lori Cobb, Debbie Wilson, Jackie Sanders, Bunnie Seckinger, Eddie VanDerbeck. **Second Row:** Chris Daughtery, Glenn Erwin, Jim Bennett, Bill Brewer.

FHA

Where There Is Smoke, There's Fire

The Future Homemakers of America prepare for the anticipated activities of home life. Aside from the monthly pencil and paper sale, the club had a candy sale and garage sale to raise money. With this money they made donations not only to a needy school, but to a scholarship fund as well. Teas were given to honor the faculty, to celebrate Christmas, and to honor the mothers of the members. FHA Week was a large project of the club this year. To end another year, which included sending valentine cards to the nursing homes and attending two district meetings, the Future Homemakers of America held a banquet in the spring. Crew captain this year is Tonia Rowland, Rhonda McCray — First Mate, Tammy Land — Log Keeper, and Gwen Thomas — Treasure Keeper.

PEP

Hoist the Spirit

Pep Club members are a corps of pirates responsible for enlivening the spirit of the pirates. They are always together at the pep rallies and football games leading the yelling and cheering in the stands. Hours are spent painting banners in preparation of all the big games. The Pep Club is one involved group when it comes to supporting our team. At the helm this year are Lori Carroll — Captain, Karen Gravola — First Mate, Jan Dorris — treasure and Log Keeper, Betsy Hamilton — Corresponding Log Keeper.

Hunt and Peck

Besides having featured speakers at the Future Business Leaders of America's meetings, the members also planned their many annual activities. The officers attended a leadership conference in Macon in November. In February, after the Valentine's Sale, the members competed in regional contest relating to business. Those who won attended the state convention, which included voting for FBLA'S state officers for the following year. Joining in the Homecoming festivities, FBLA entered a car in the parade. For Christmas the members celebrated by sponsoring a door decorating contest and throwing a party for the club.

Anchors Away

The Naval Junior Reserve Officer Training Corps has had an enjoyable year. In addition to joining Glynn Academy in a jamboree which consisted of outdoor events, the BHS NJROTC had a jamboree of their own. They also held a senior picnic and two skating parties. This year John Butts was selected as one of the crew members from the Eastern part of the United States to travel to Spain. The trip was a learning experience for those chosen to see what it is like to be in the Navy.

The Fellowship of Christian Athletes is a group of Christian crewmembers who meet to share their thoughts about the Christian faith. Working in cooperation with the Baptist Church, FCA donated a Thanksgiving basket to those in need. Before giving their advisor a loving cup as a going away present, the club had a pie sale and also attended a Retreat at Epworth-by-the-Sea. This year's officers include Jackie Sanders — Captain, Garry Williams — First Mate, Robbie Ferrell — Log Keeper, and Tim Ferrell — Treasure Keeper.

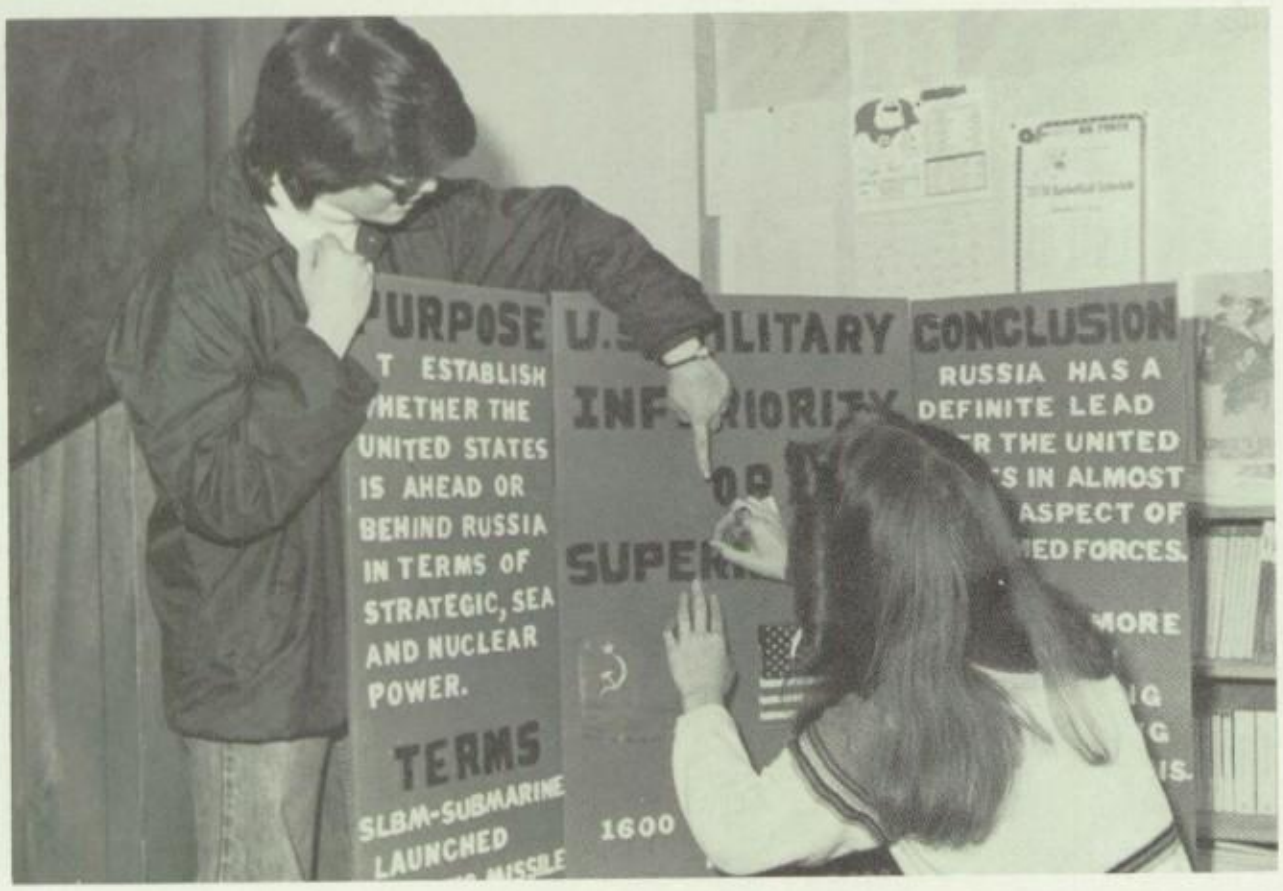
ISSS



Time's Just Slip, Sliding Away

Giving shipmates time to independently study current issues, the ISSS Course develops a keen interest in the key issues of the day. Products of this research are roundtable discussions and term papers that are entered in local and district competition. The shipmates whose term papers advance to state competition and win receive scholarships. Through this course shipmates may achieve academic recognition in a sports-oriented environment.

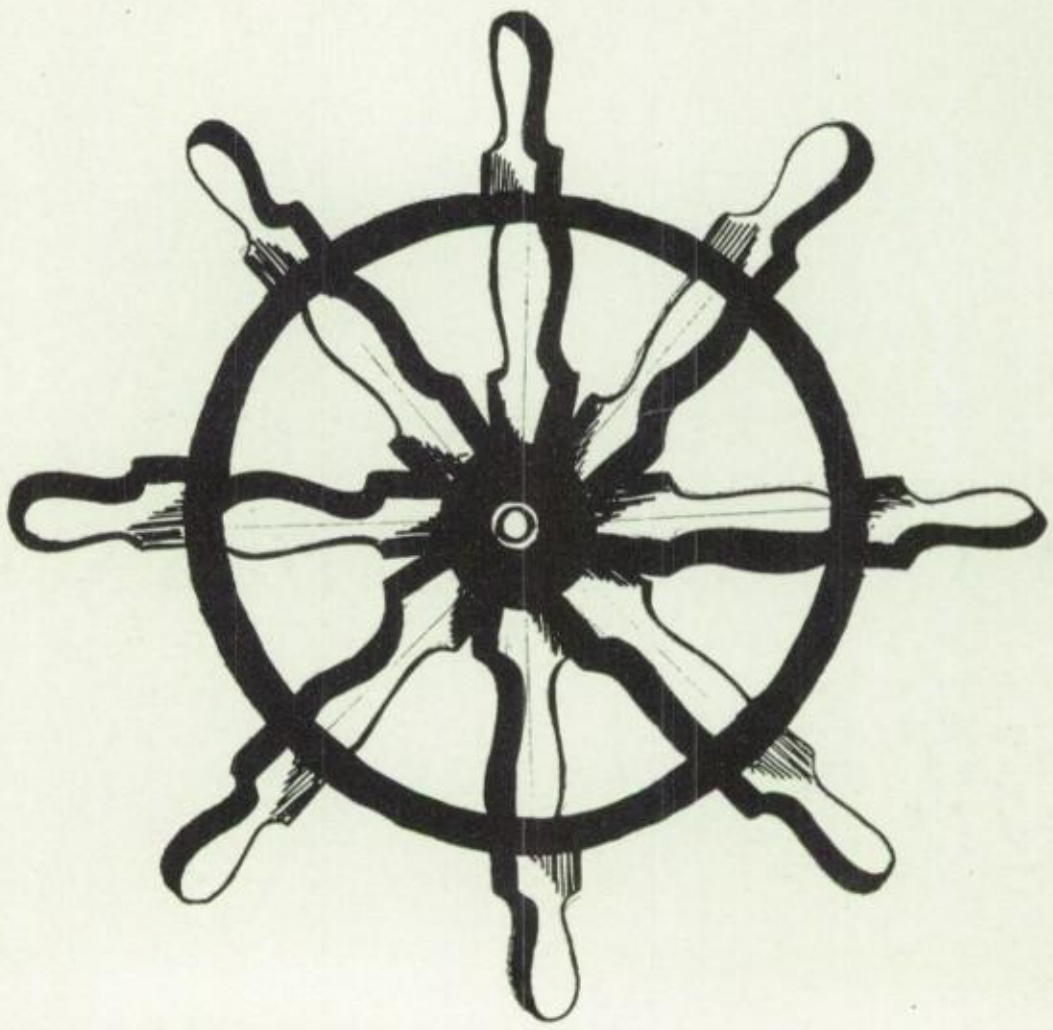
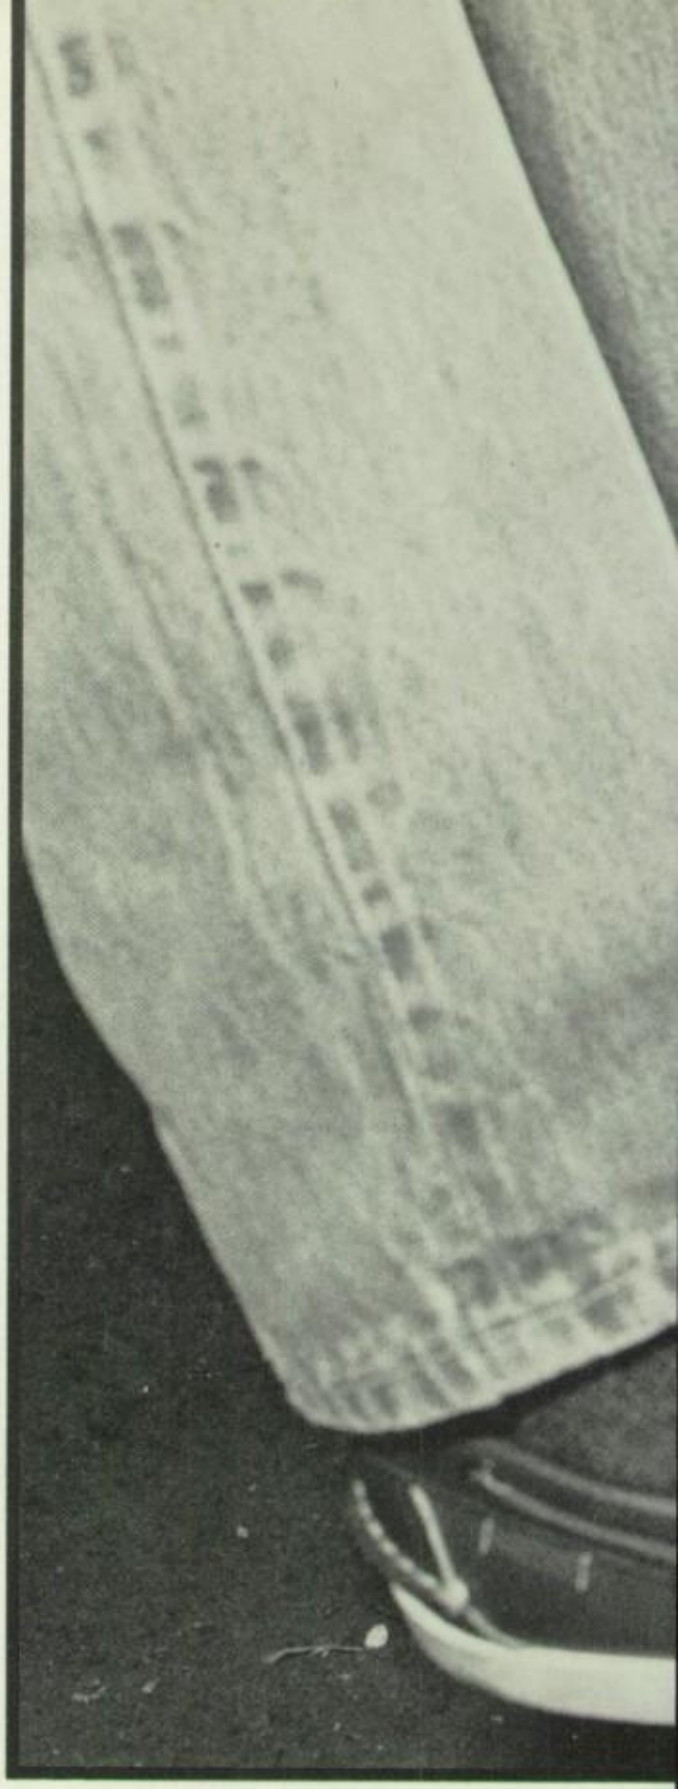
LIBERTY ASHORE



A NEW CRAZE . . . SIDEWALK SURFING

Lipsliding and tic-tacking, tale tapping and bunny hopping, the Pirates got into skateboarding full swing.

With the opening of the new skate park, "Nova," the crew had a chance to perfect their own style of skateboarding. Clad in knee pads and helmets, the Pirates challenge the waves of concrete with its flyways and bowl rides.



DRESS CODE '78

The wardrobe of the Pirates on this voyage consisted of everything from flowers and combs in hair to shoes called "docksides."

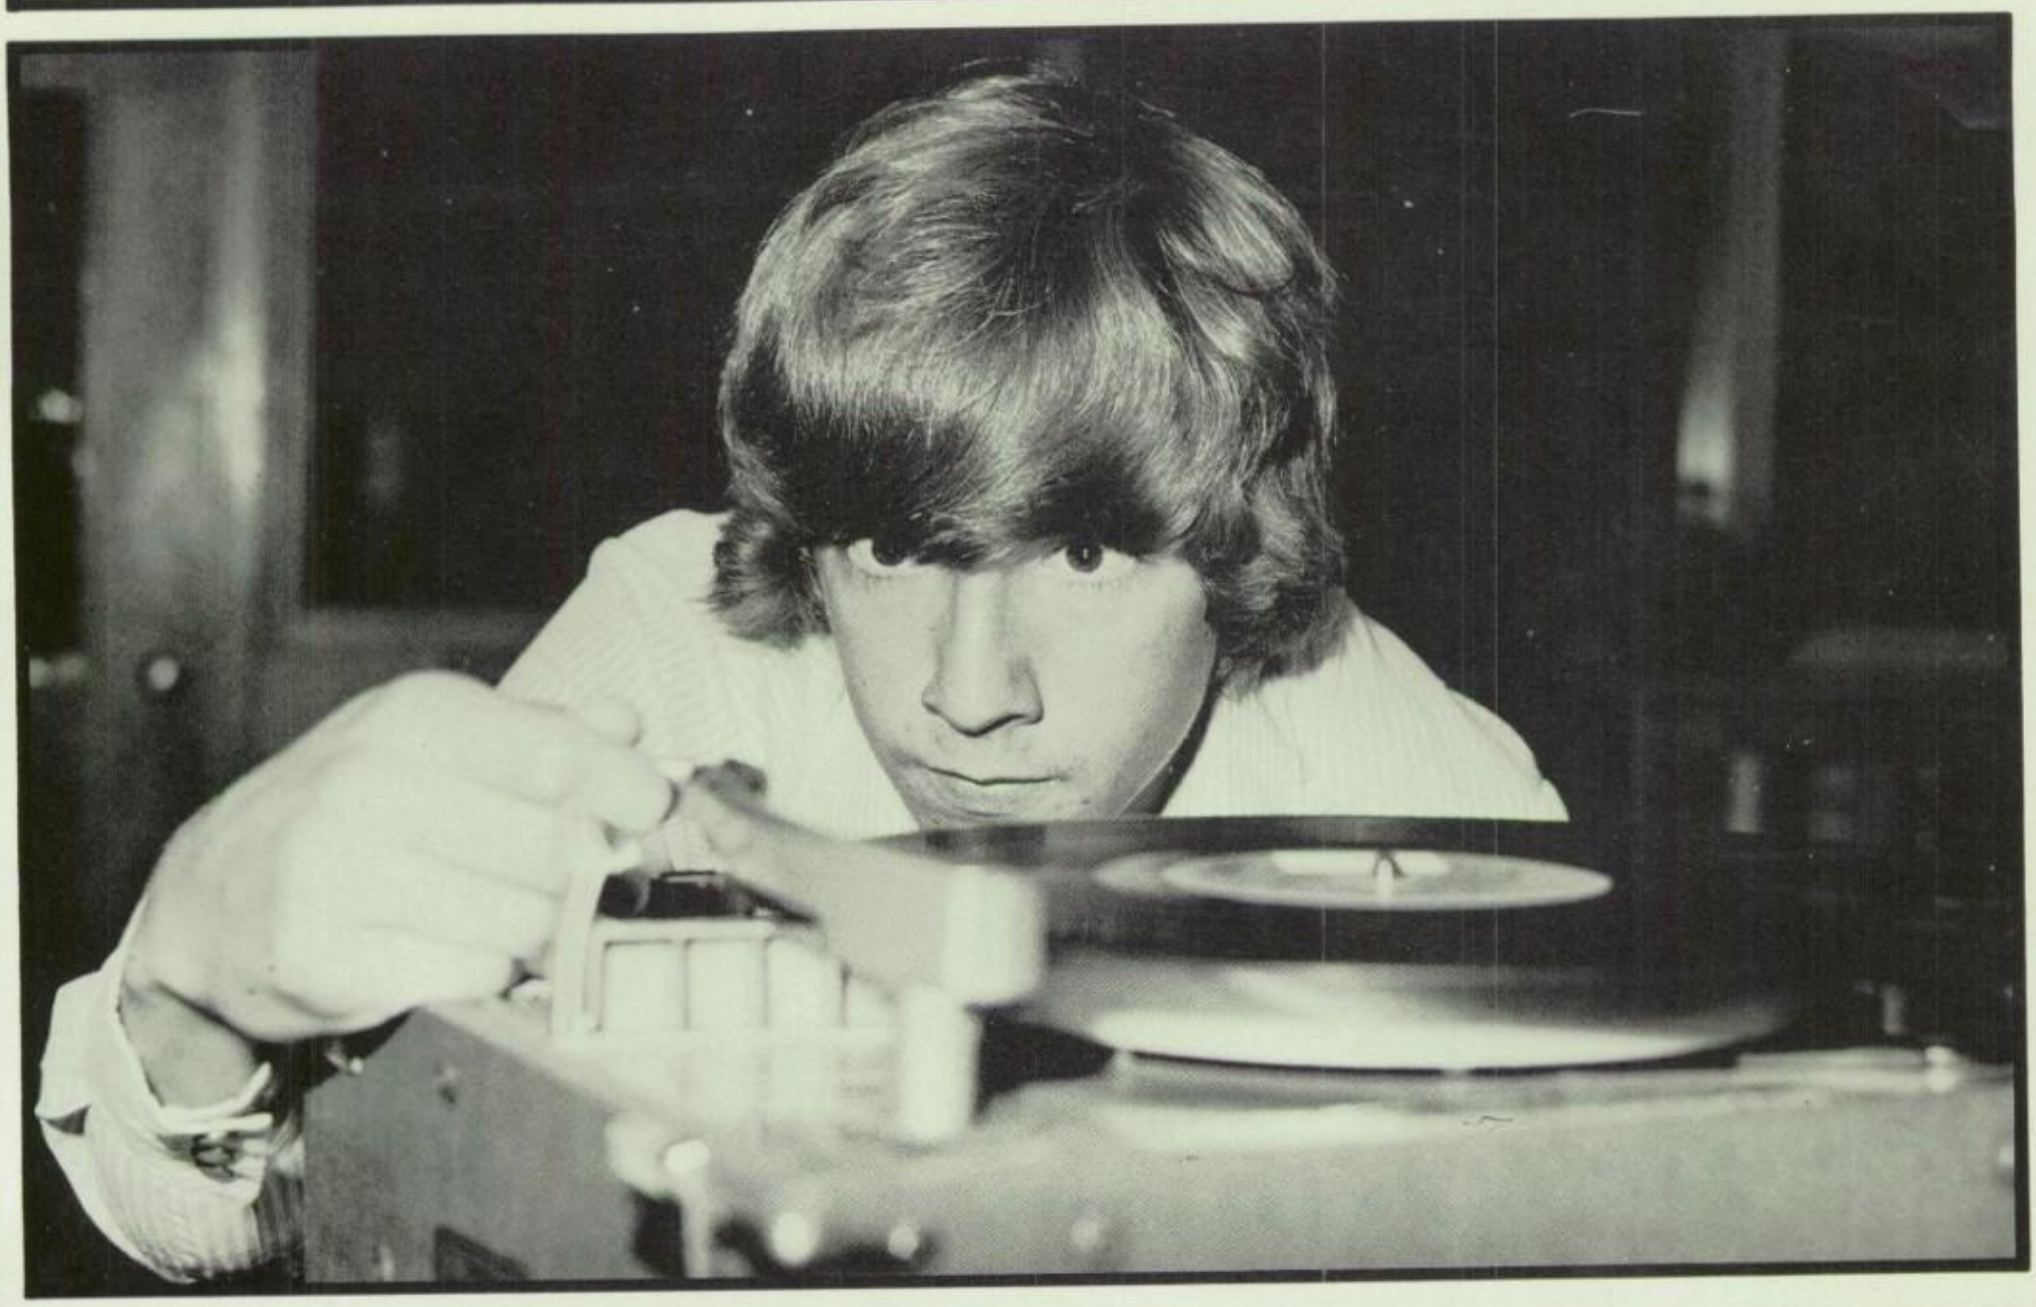
Any and every message a shipmate wished to communicate to his fellow crew members could be printed across his tee shirt.

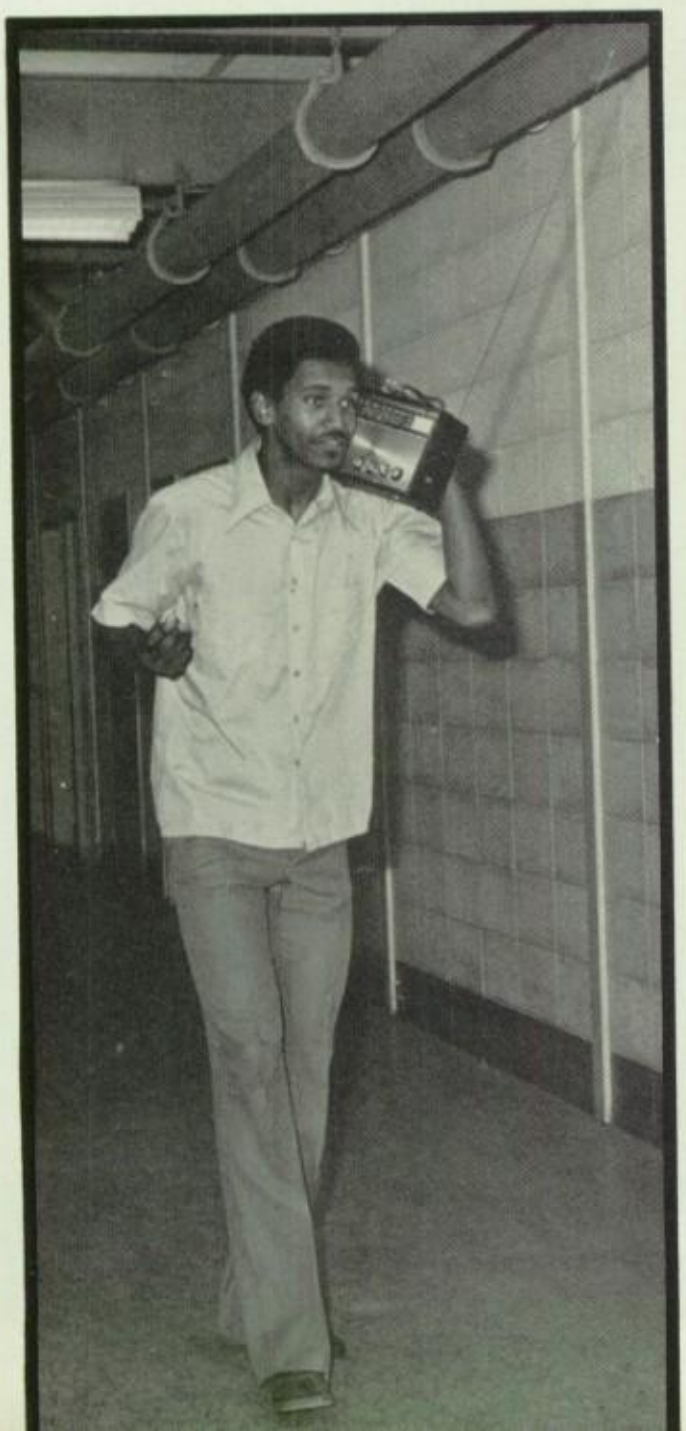
Besides blazers and longer skirts, boots were also popular with the female crew members.

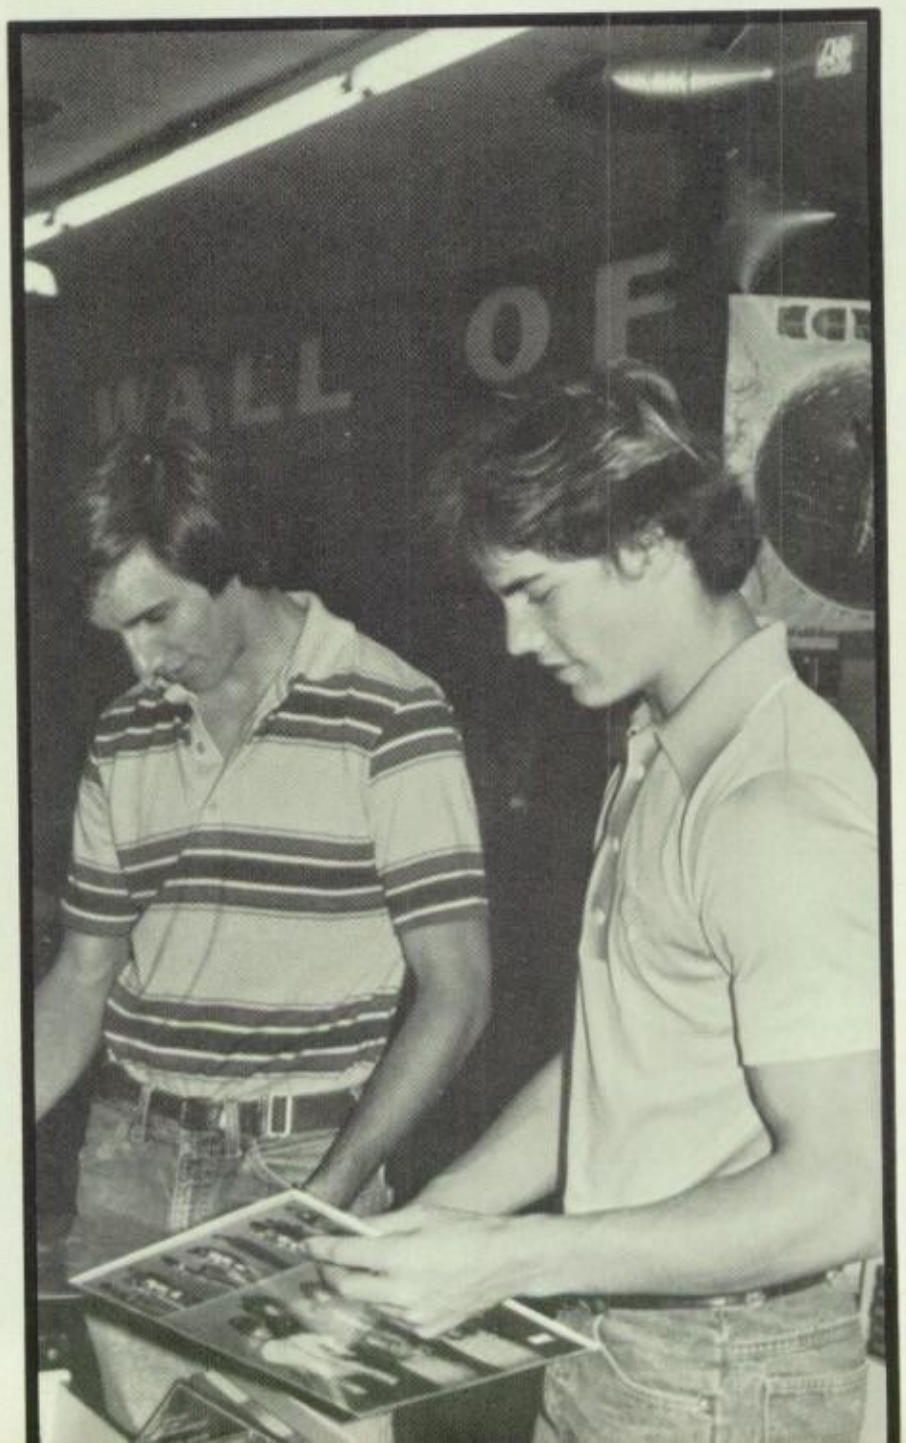
We can't forget the pride of every Pirate — Levi's!

IT MAKES THE WORLD GO ROUND . . .

Whether it's listening to the car radio or jammin' in the halls, music was an integral part of every Pirate's life. Our crew kept record stores in business, not to mention the stereo and tape player merchants of Brunswick. Sailing with music as a companion made the voyage a little more enjoyable.







WALL OF

FACES IN PLACES

Sunny days, stormy skies, or pleasant contemplative afternoon breezes are the varying moods aboard the ship. Never are things felt so intensely as they are during the four years one spends on the ship. These feelings are the heart of our vessel, changing and ever growing.

NATIONAL HONOR SOCIETY

Recognizing excellence in scholarship, character leadership, and service among high school students in the United States, the National Honor Society is in its second year on the vessel. A 3.0 cumulative grade average qualifies a student for NHS. Teachers are given a ballot on which eligible students' names are placed. After each teacher rates the students in the areas of character, leadership, and service, the points are compiled and the students with the highest number of points are selected as members.

Annie Julian is this year's Captain. Edwin Ashley serves as First Mate, Dwala Nobles as Log Keeper. Treasure Chest Keeper is Tracy Mixon, and Quarter Master is Karen Brunegraff.

COMMANDERS

The Commanders of our ship, among other things, attempt to keep all crewmembers in line. They demand to see a passport before allowing a lowly mate to move from one part of the vessel to another. Five Star Admiral Couch makes a good use of his "Bull Horn" to inform his crew and mates of the assigned daily duties.

Admiral Bowden's and Admiral Johnson's Chief duties of the day are tracking down the Stowaways that lurk the hull of the B.H.S. Vessel. Their only alternative is to make the culprits "Walk the Plank" before one sun has passed.

Admiral McDowell handles our technical department. He has the job of loading the Pirate ship with supplies to keep her sailing smoothly. Another duty is that of Ambassador to the cross town Glynn Academy Red Terrors. He is a true Pirate that would endanger his own personal safety to have conference with such unpredictable individuals.

We salute our Commanders who bear the many responsibilities of navigating a Pirate Ship.

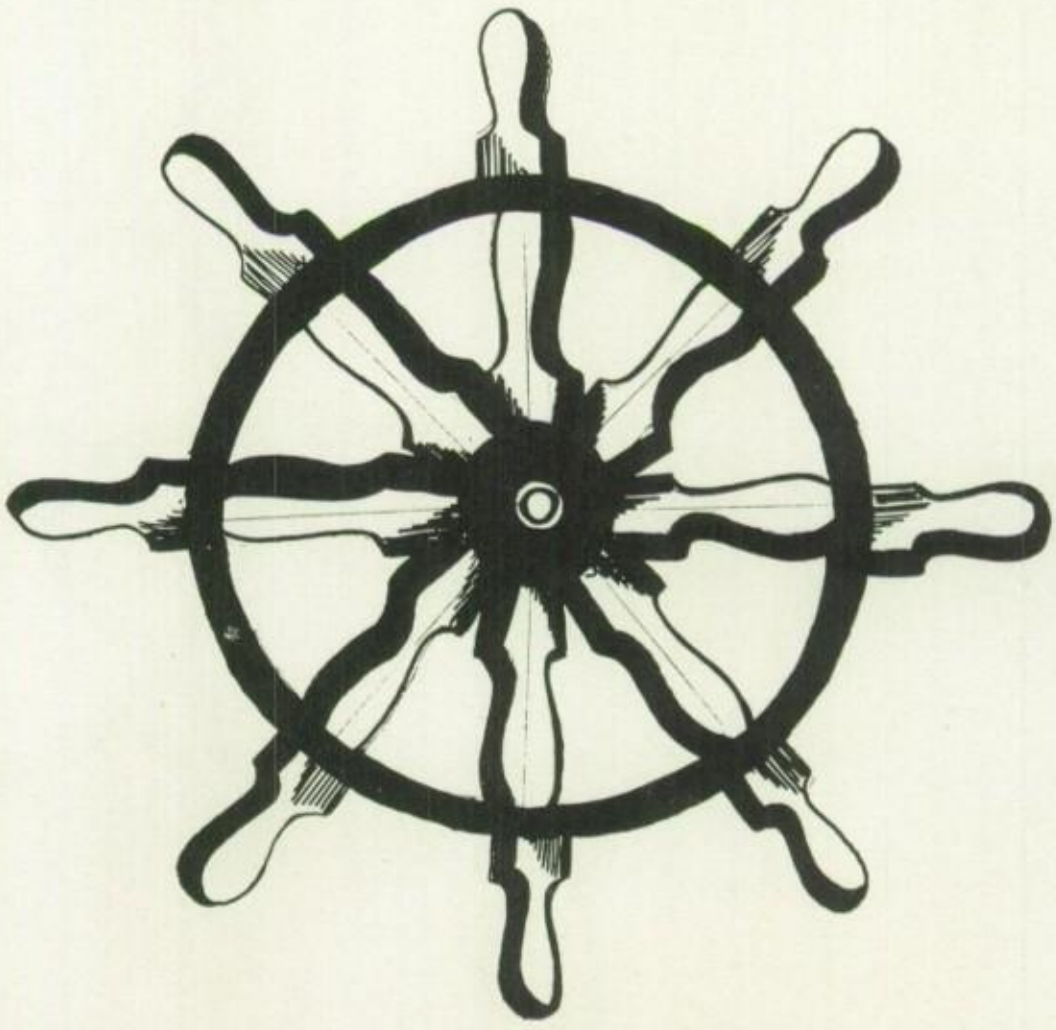
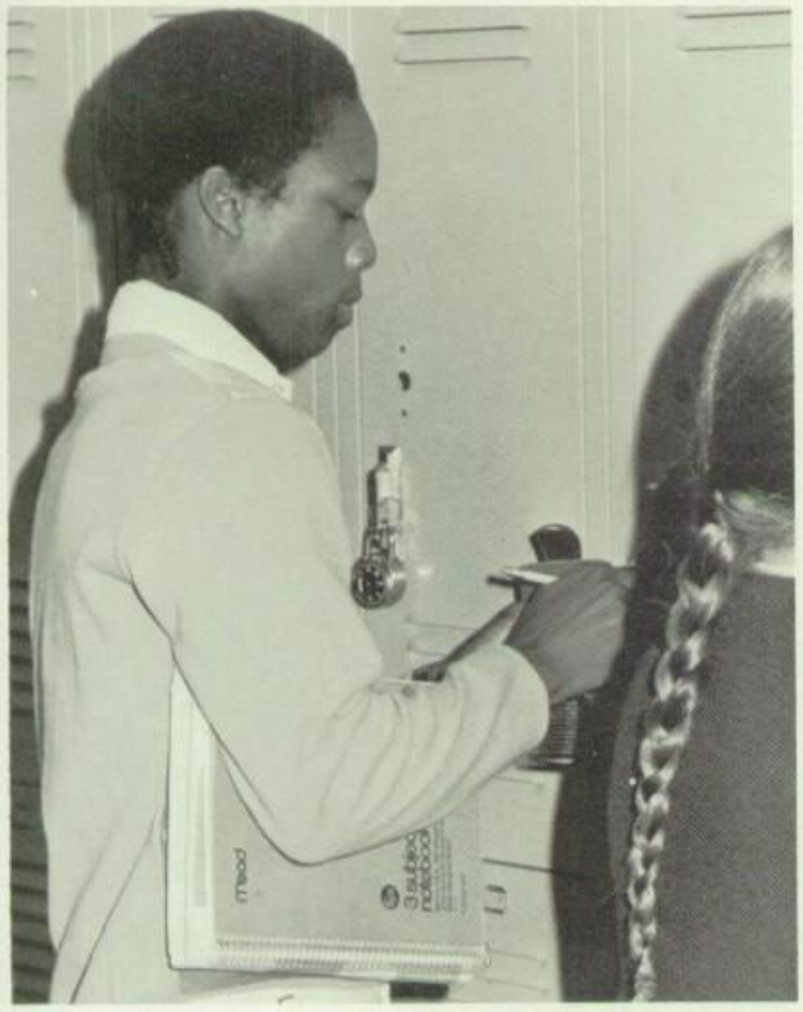
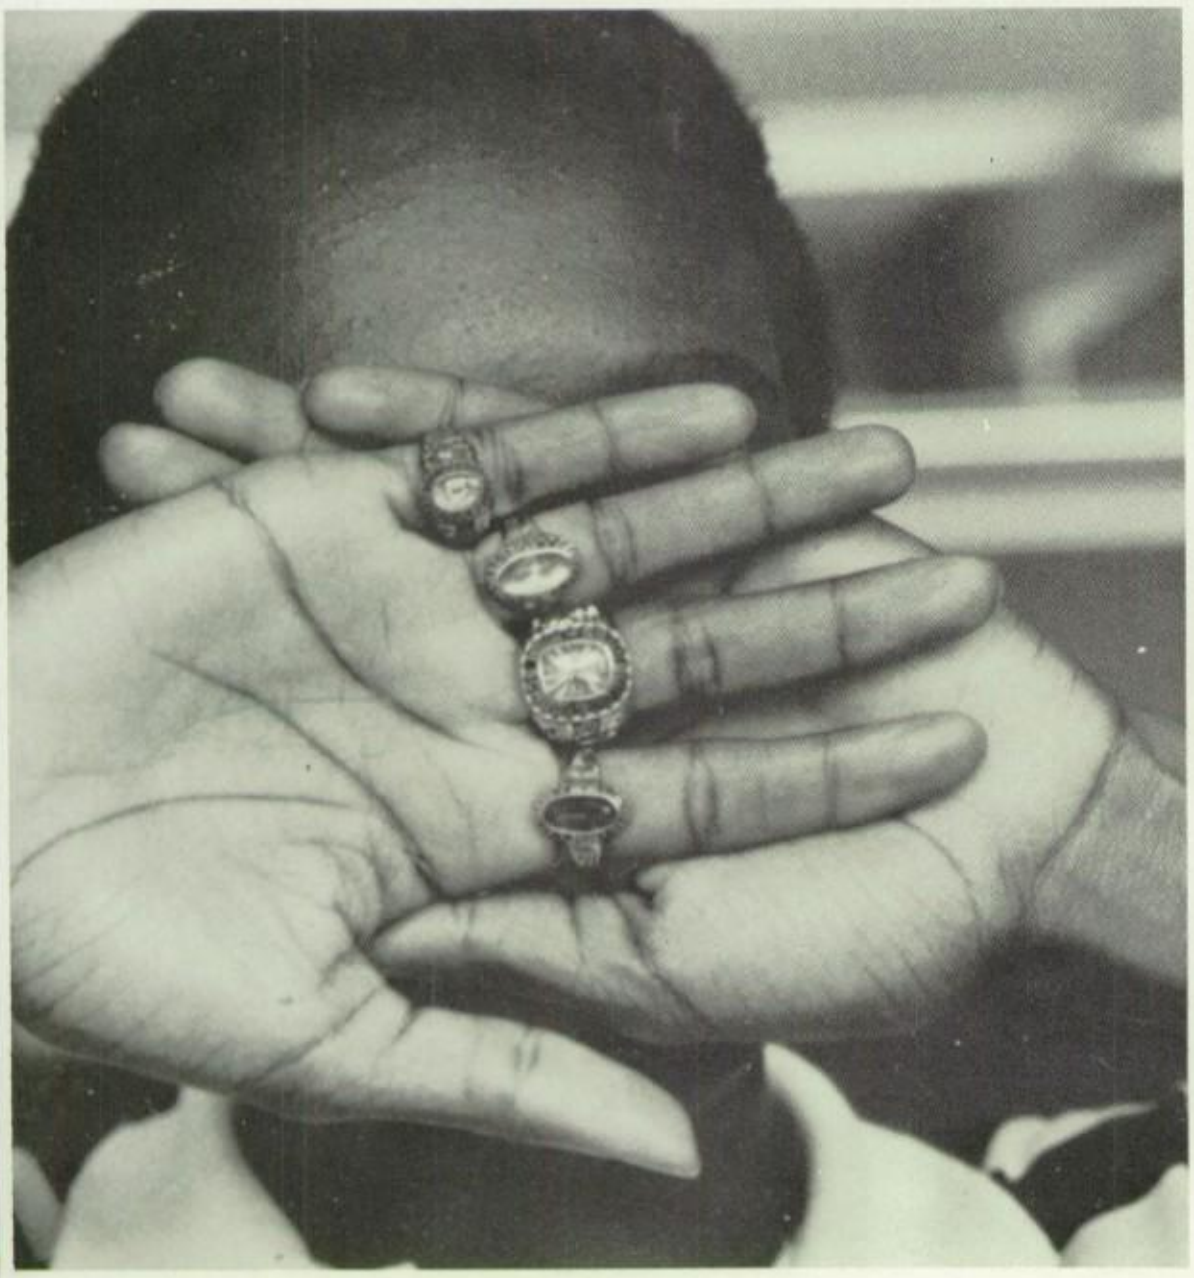
Captains

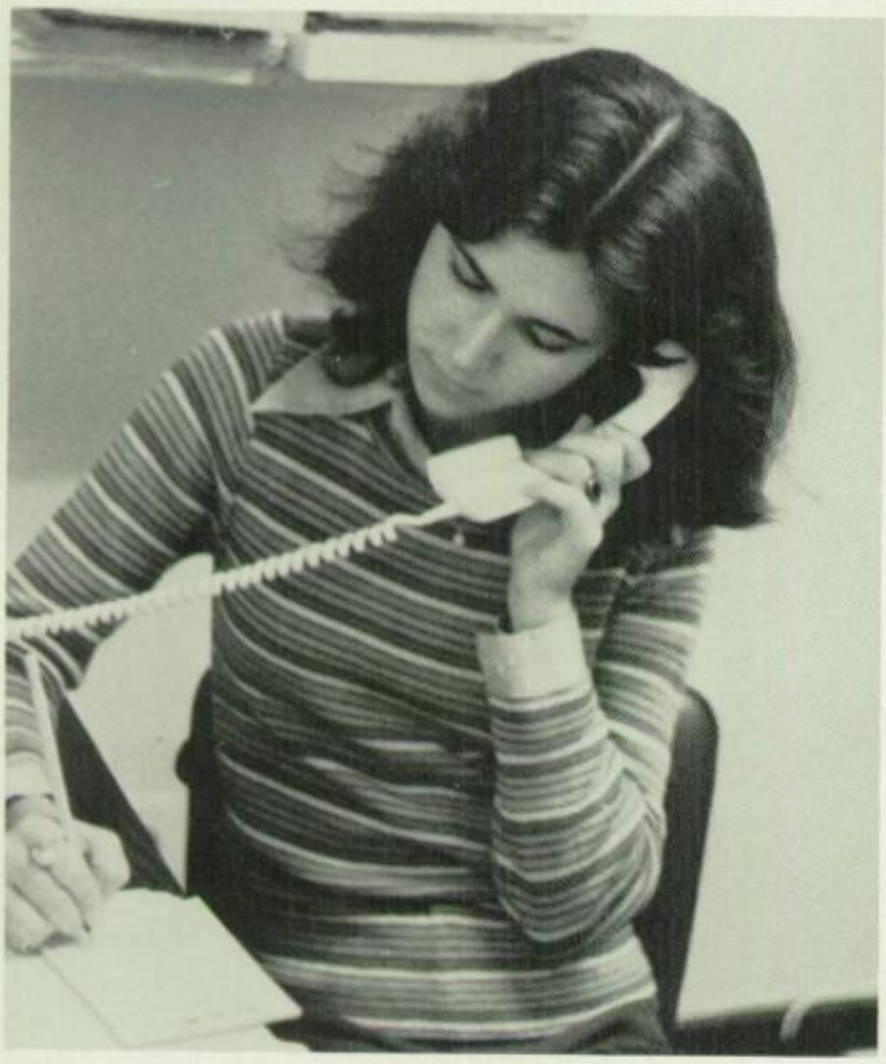
The graduating class of 1978 contained 310 members. These proud twelve-year veterans are happily ending their tour of duty for the Glynn County School System aboard the good ship Brunswick High. They have taken their position of Captains for a year of smooth sailing and fond memories.

The last year of duty fills the class of '78 with excitement, anticipation, anxiety, and loneliness. They have mixed emotions as they face the vast ocean before them.









Pencils scratching paper, test tubes clinking, and message taking are all part of a busy Captain's day. No one is left out when it comes to hard labor. Whether it's studying for Mechanical Drawing or helping to unload drinks for the Homecoming Dance, the Captains can be found diligently applying themselves to the task at hand.

CAPTAINS AT WORK

Being a Captain is not all hard work and sacrifice. Even the hardest working Captains take time off to show their true Pirate Spirit! The class sponsored a Halloween dance and some crew members were found running around with Santa Claus during their Christmas Liberty.

Captains spend much of their time seriously thinking about the future. Ensigns

The third year on the ship brings knowledge through experience, the feeling of a tremendous age difference over the Petty Officers and a restless feeling that they'll never get off the ship. But on different occasions the Ensigns are reminded of just how close they are to promotion by buying rings, taking the PSAT, and attending Probe Night.

Swabbies

The first year on the ship brings the excitement, pride, and relief of finally being a crewmember. Once stepping on board, the Swabbies are ready to take the wheel. Soon placed in their position of rank by their senior officers, they feel there is nothing but rough seas ahead. But as the ship sails o'er the ocean, they find themselves Captains soon enough.

PIRATES OF THE GOLDEN ISLES

Nature designed The Golden Isles and Coastal Georgia to suit a pirate's fancy. Numerous tributaries, hidden inlets and tricky tides permitted a shrewd privateer to successfully play hide-and-seek with any pursuing man-o-war.

The most infamous pirate of all, "Blackbeard" (Edward Teach), sailed our coastal waters in the early 1700's. Attacking Spanish galleons and plundering missions with audacity and greed. Legend claims that "Blackbeard" buried a fortune in booty somewhere on The Golden Isles. But no man lived to tell the tale. Including "Blackbeard," who died as he had lived. By the sword in 1718.

This local historical sketch is brought to you by your local Coastal Bank of Georgia. Nobody can change the past. But we can help you shape your financial future – as an individual, family or business.

Stop in soon at The Coastal Bank of Georgia. The folks with a history of personal service.

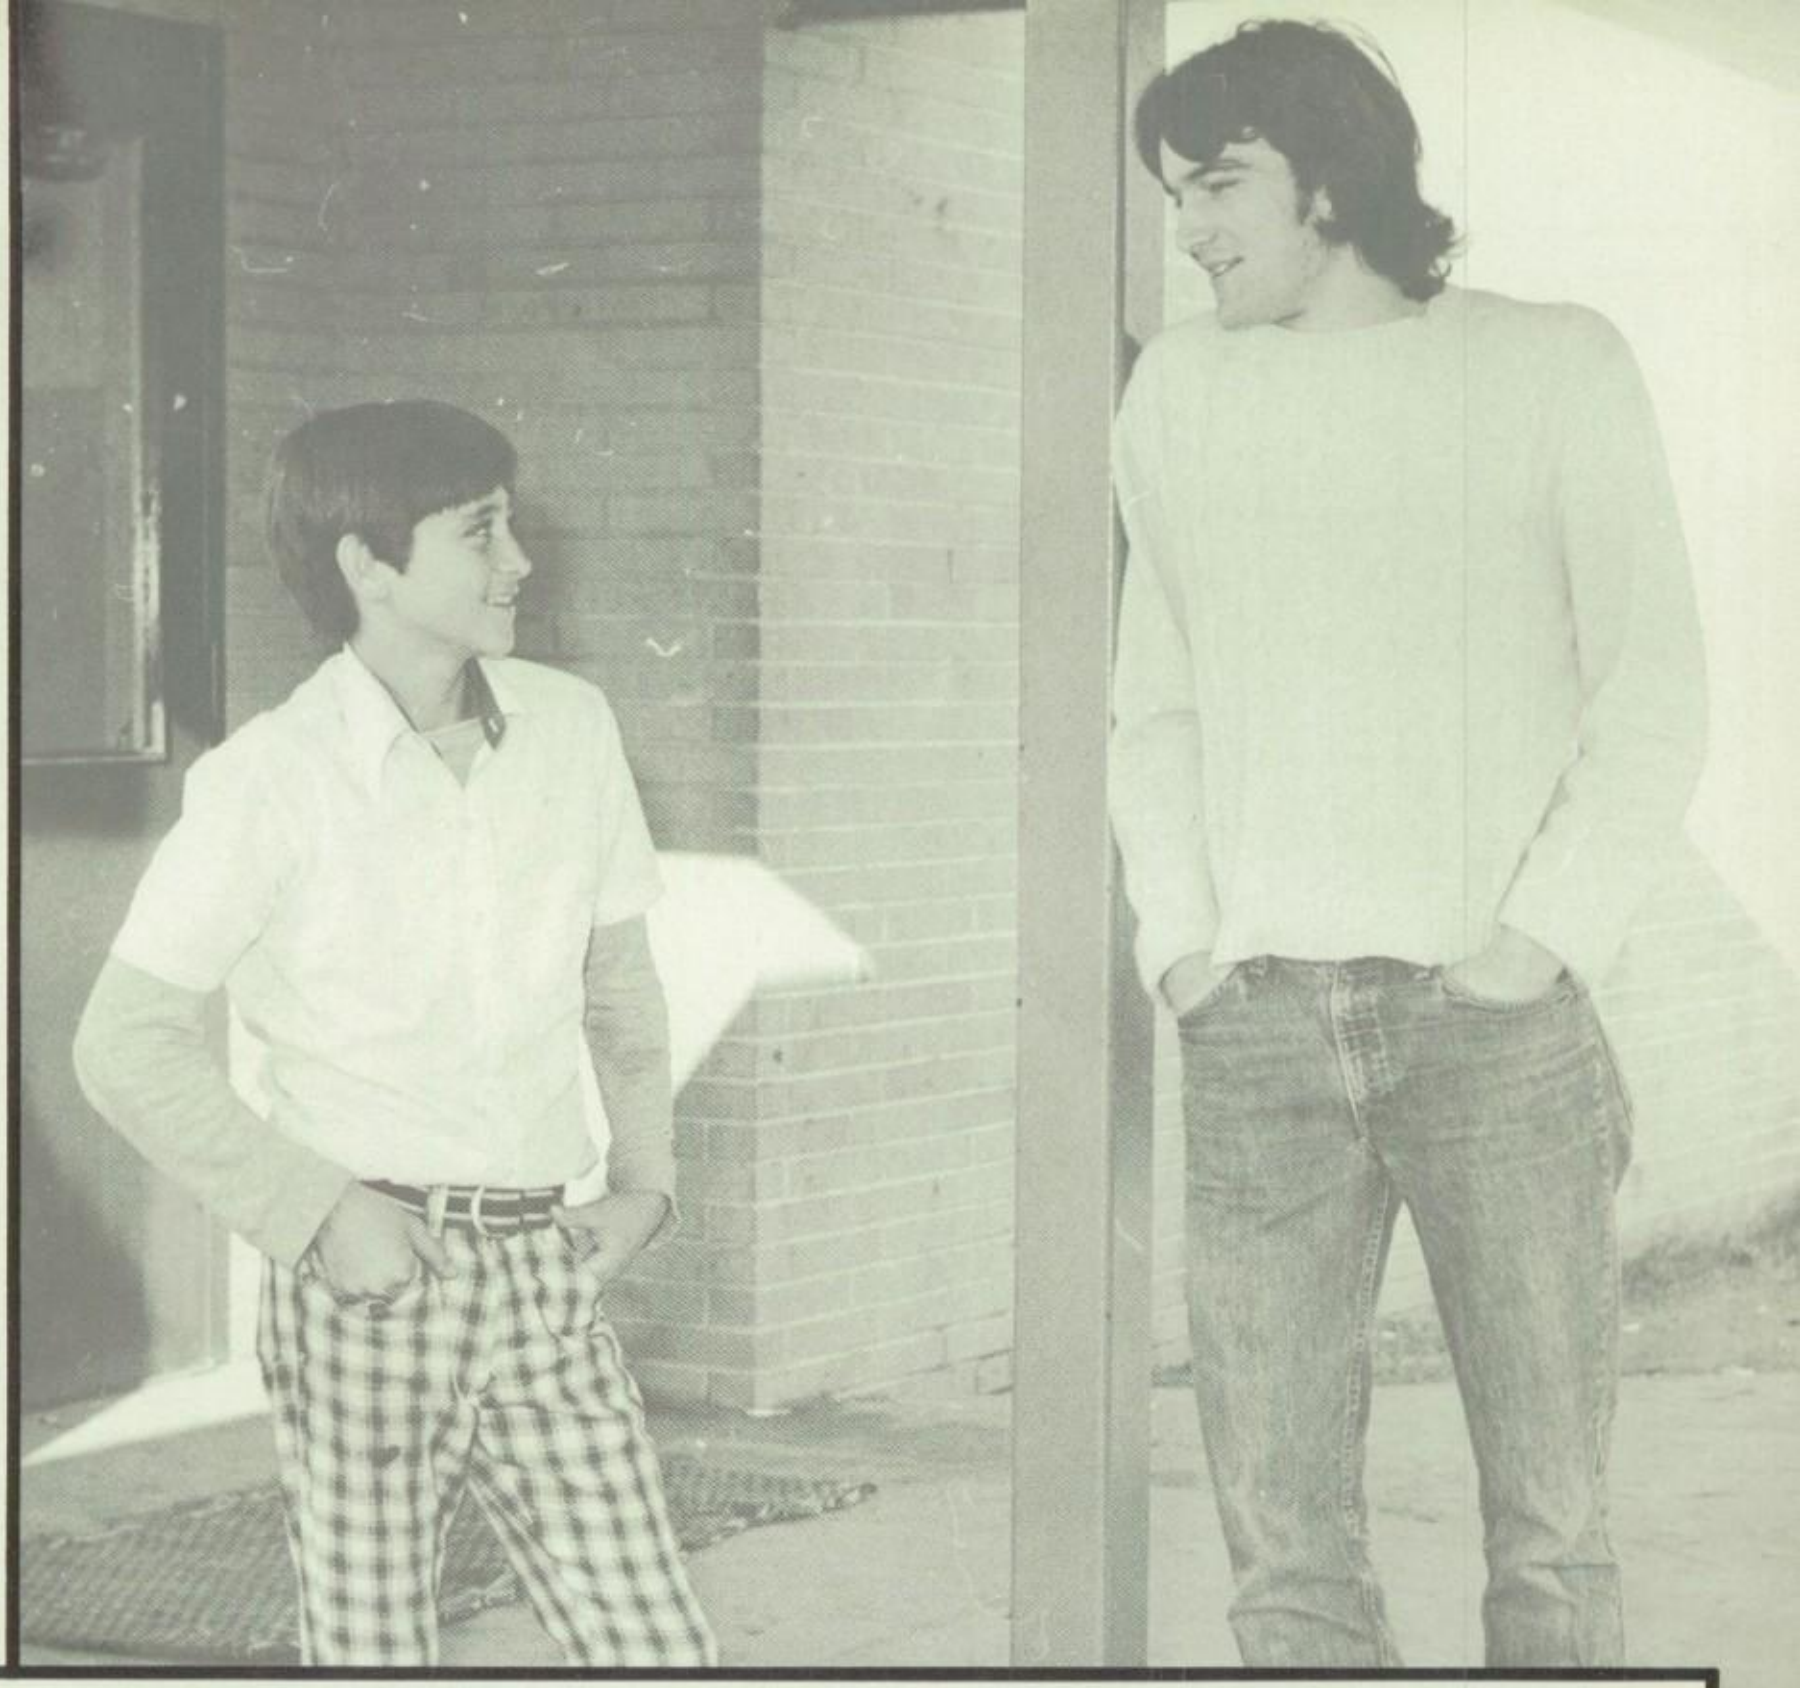
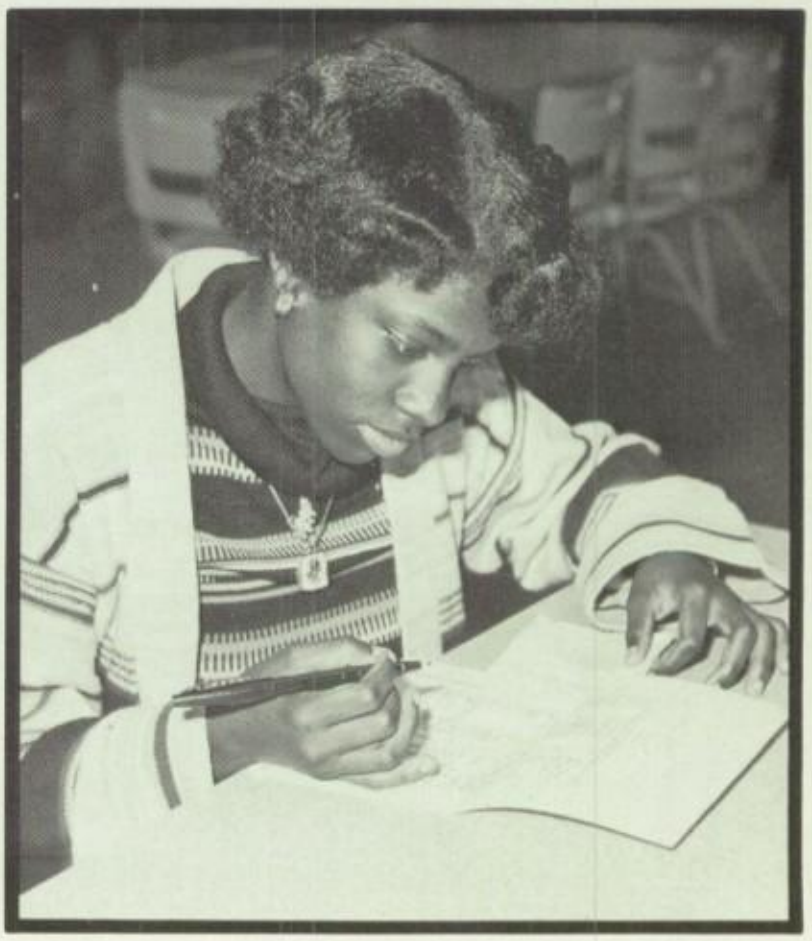
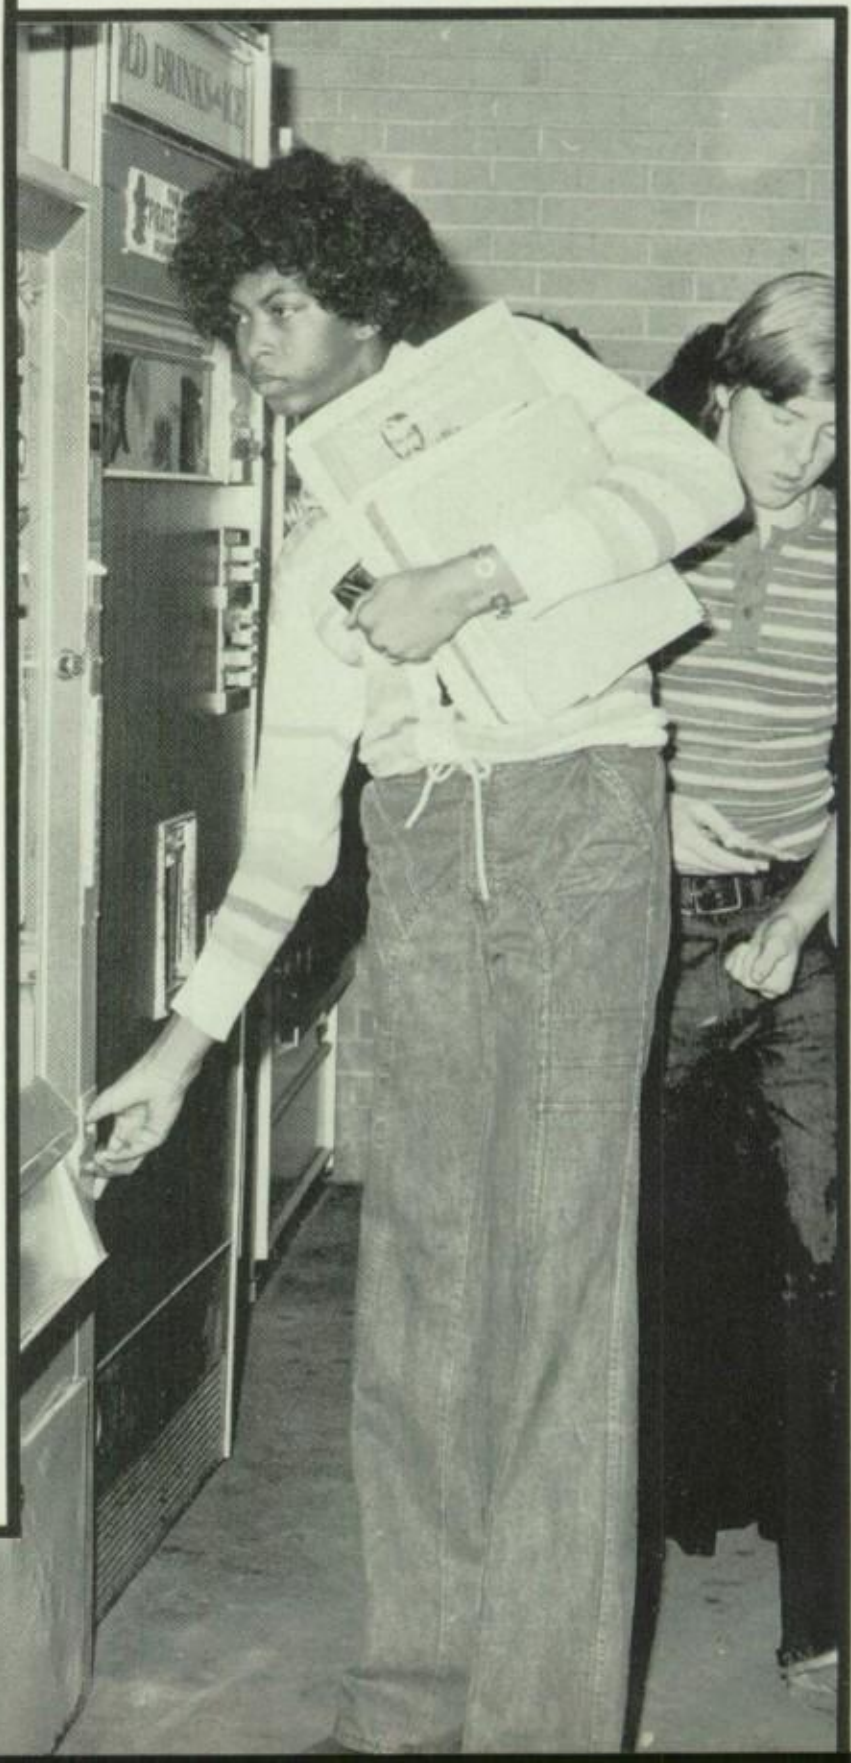
SWABBIES WITH NO SEA LEGS

The fears of every Swabbie as he steps aboard for the first time, consist of getting lost and worrying just how strict the commanders will be. Reading a copy of the teacher's rules and regulations and mapping out one's classes are two precautions a Swabbie with no sea legs may take. As the football season begins, the new crewmembers soon learn to yell at the pep rallies. Many a crew member can be seen lugging his equipment around. Every Swabbie can be caught at one time or another dreaming of the day he'll be a Captain.

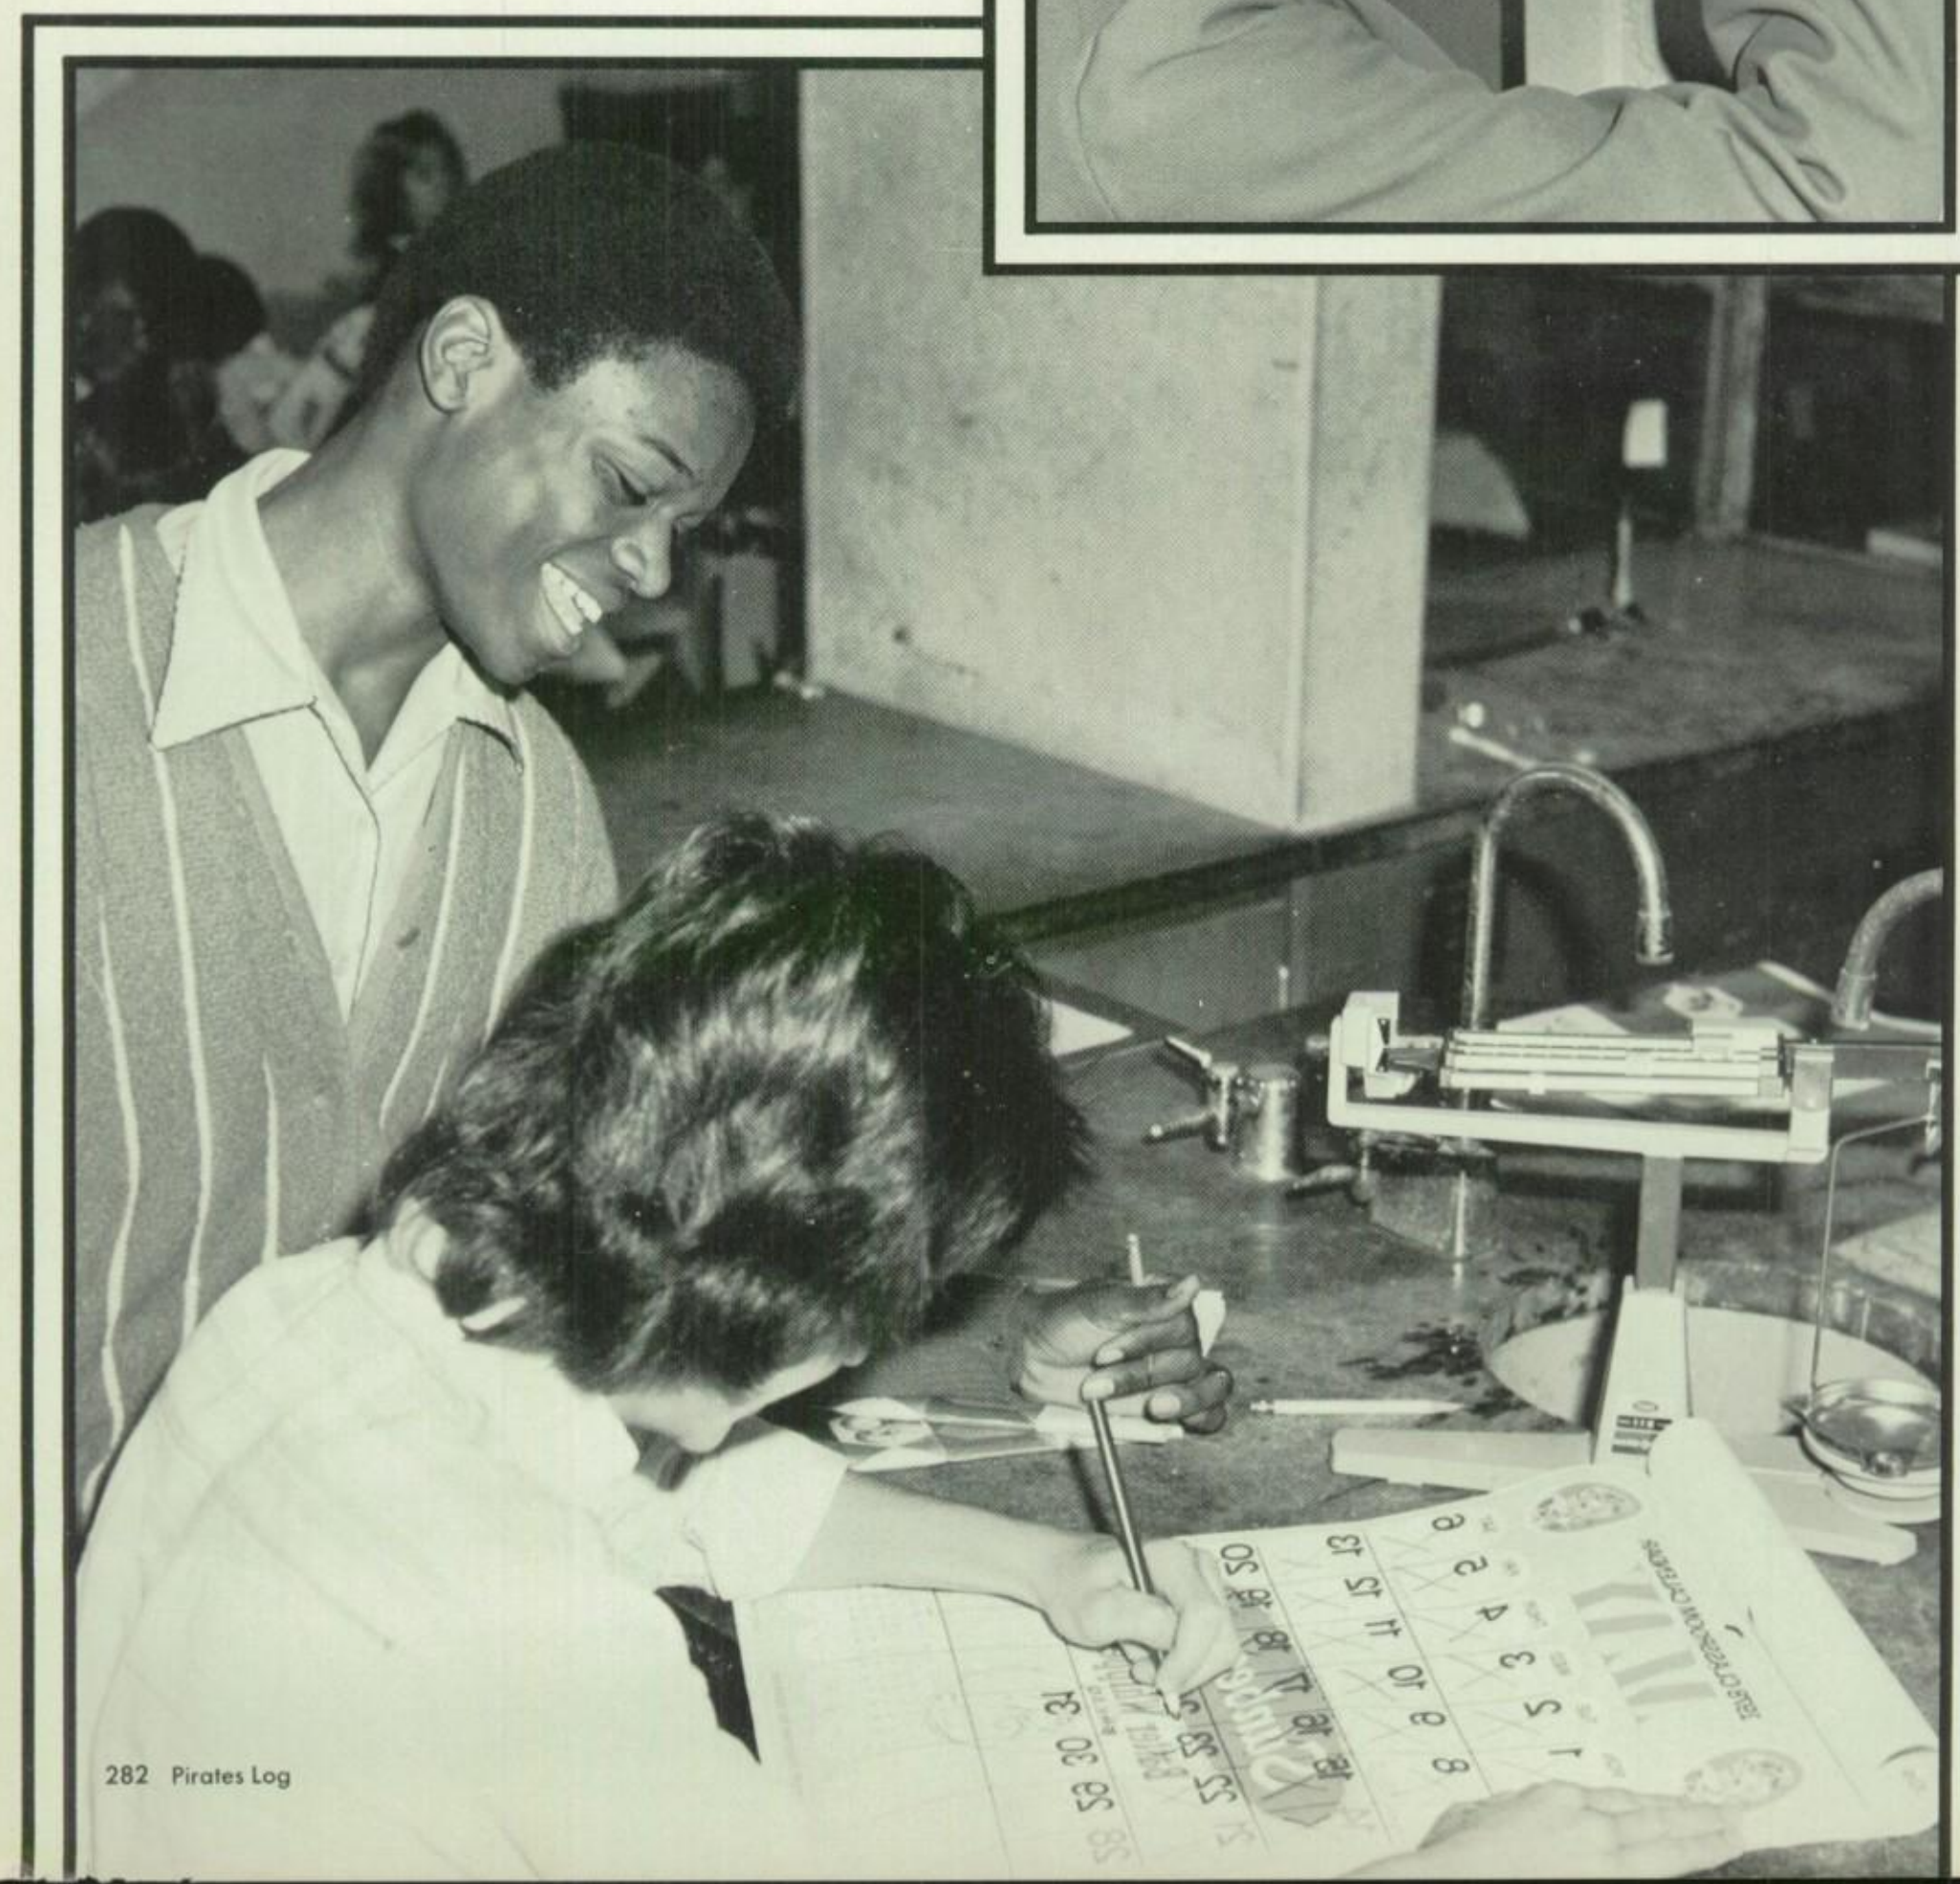


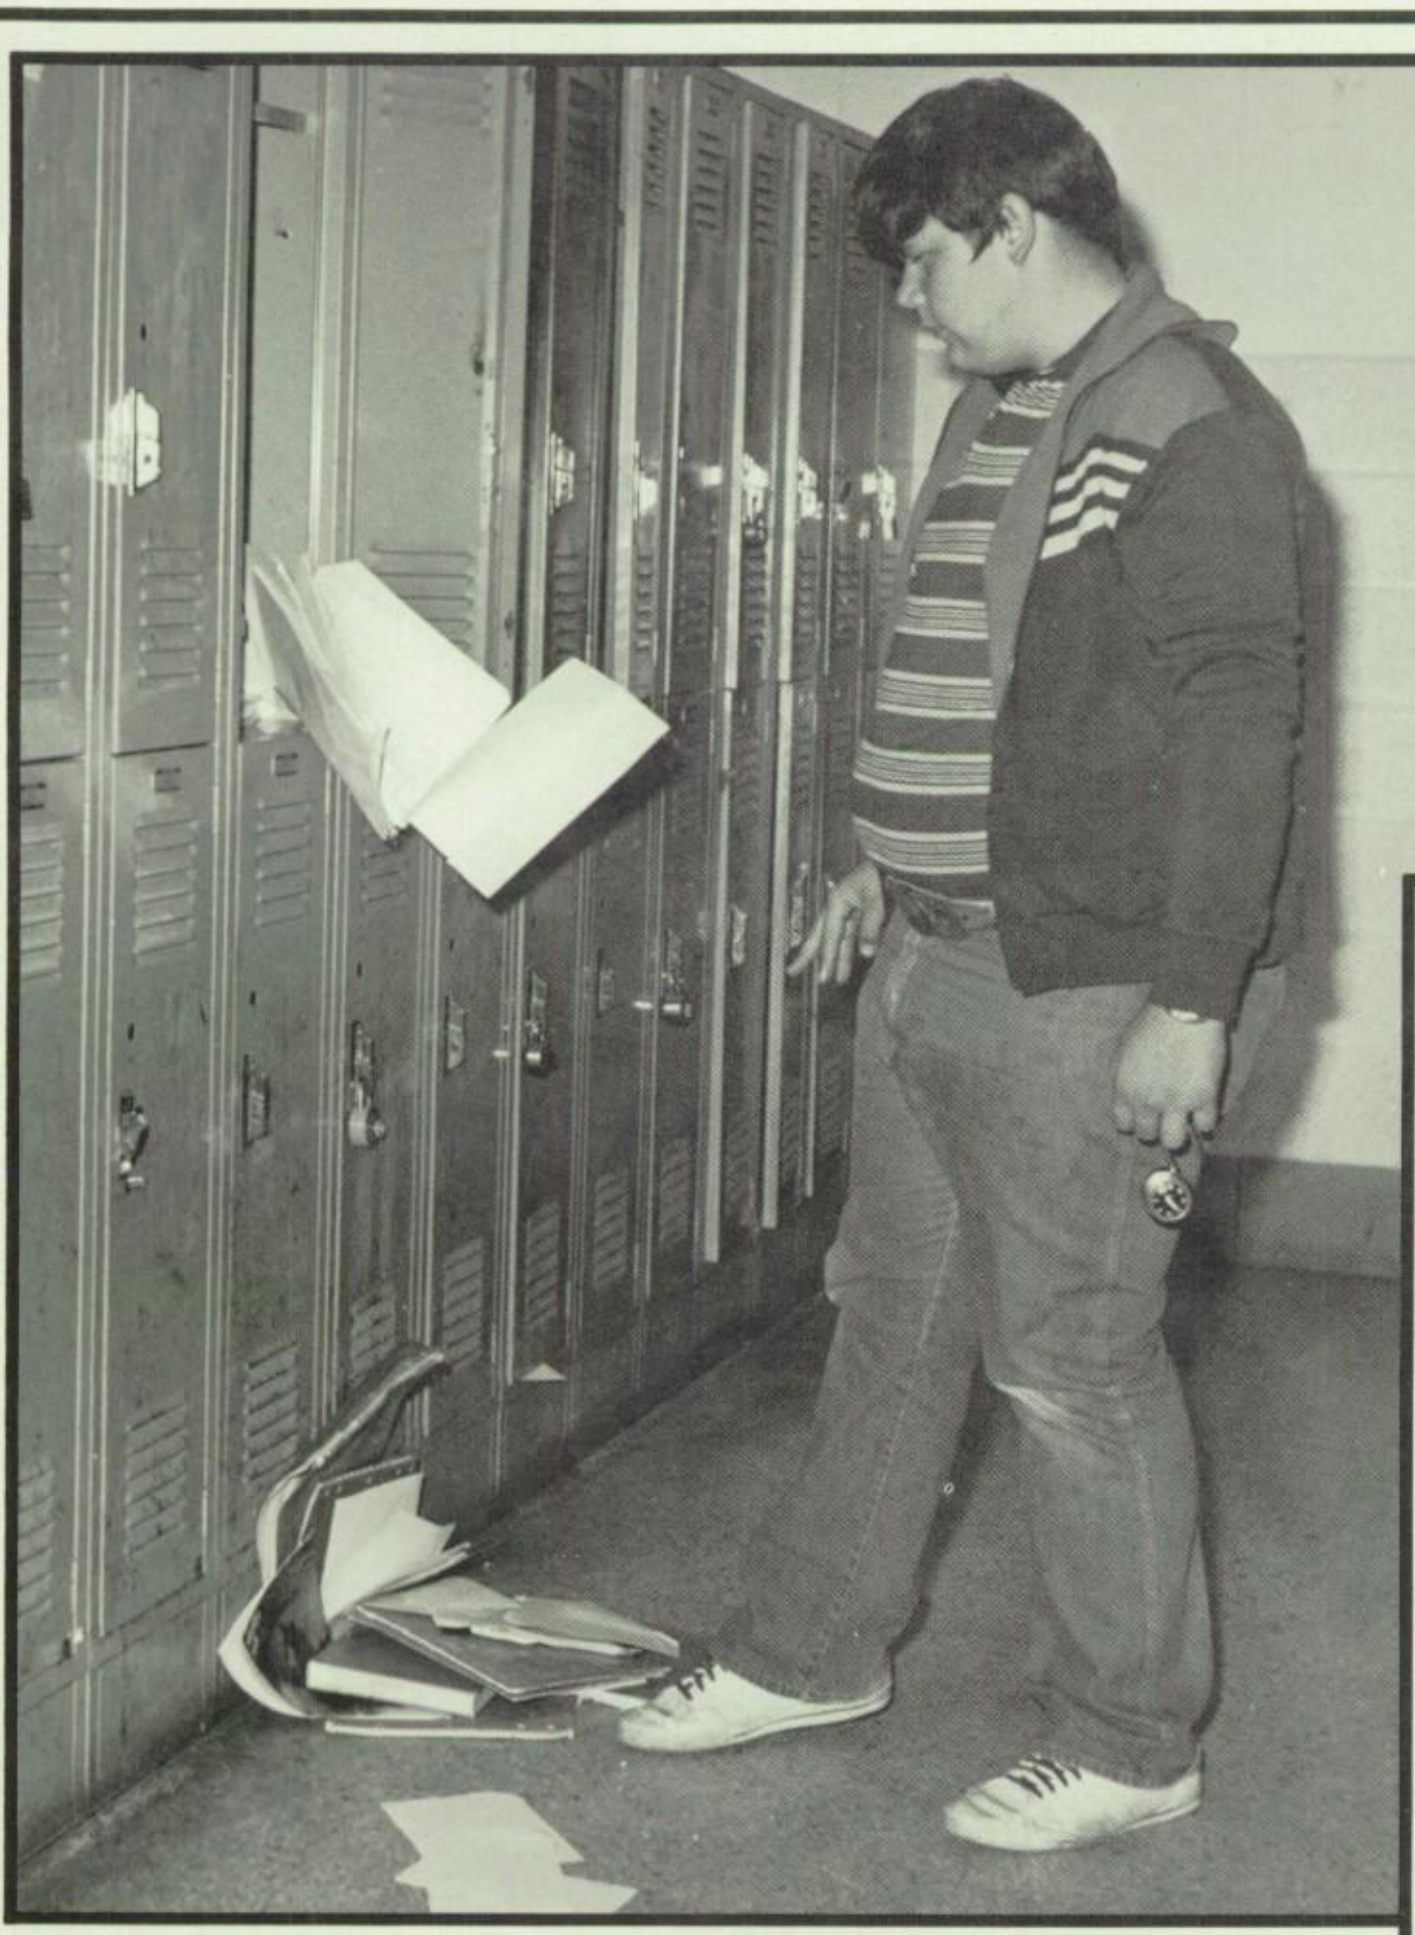




LEARNING THE ROPES

Discovering that "calling all Freshmen" means to get up and yell is one of the many lessons learned by the new crew members. To eat on the pep stand instead of in the cafeteria is the cool thing to do at lunch, the Swabbies soon decide. Sneaking food into the library is another fine art mastered by the young Pirates. But skipping class is one thing the older hands could use some brushing up on.





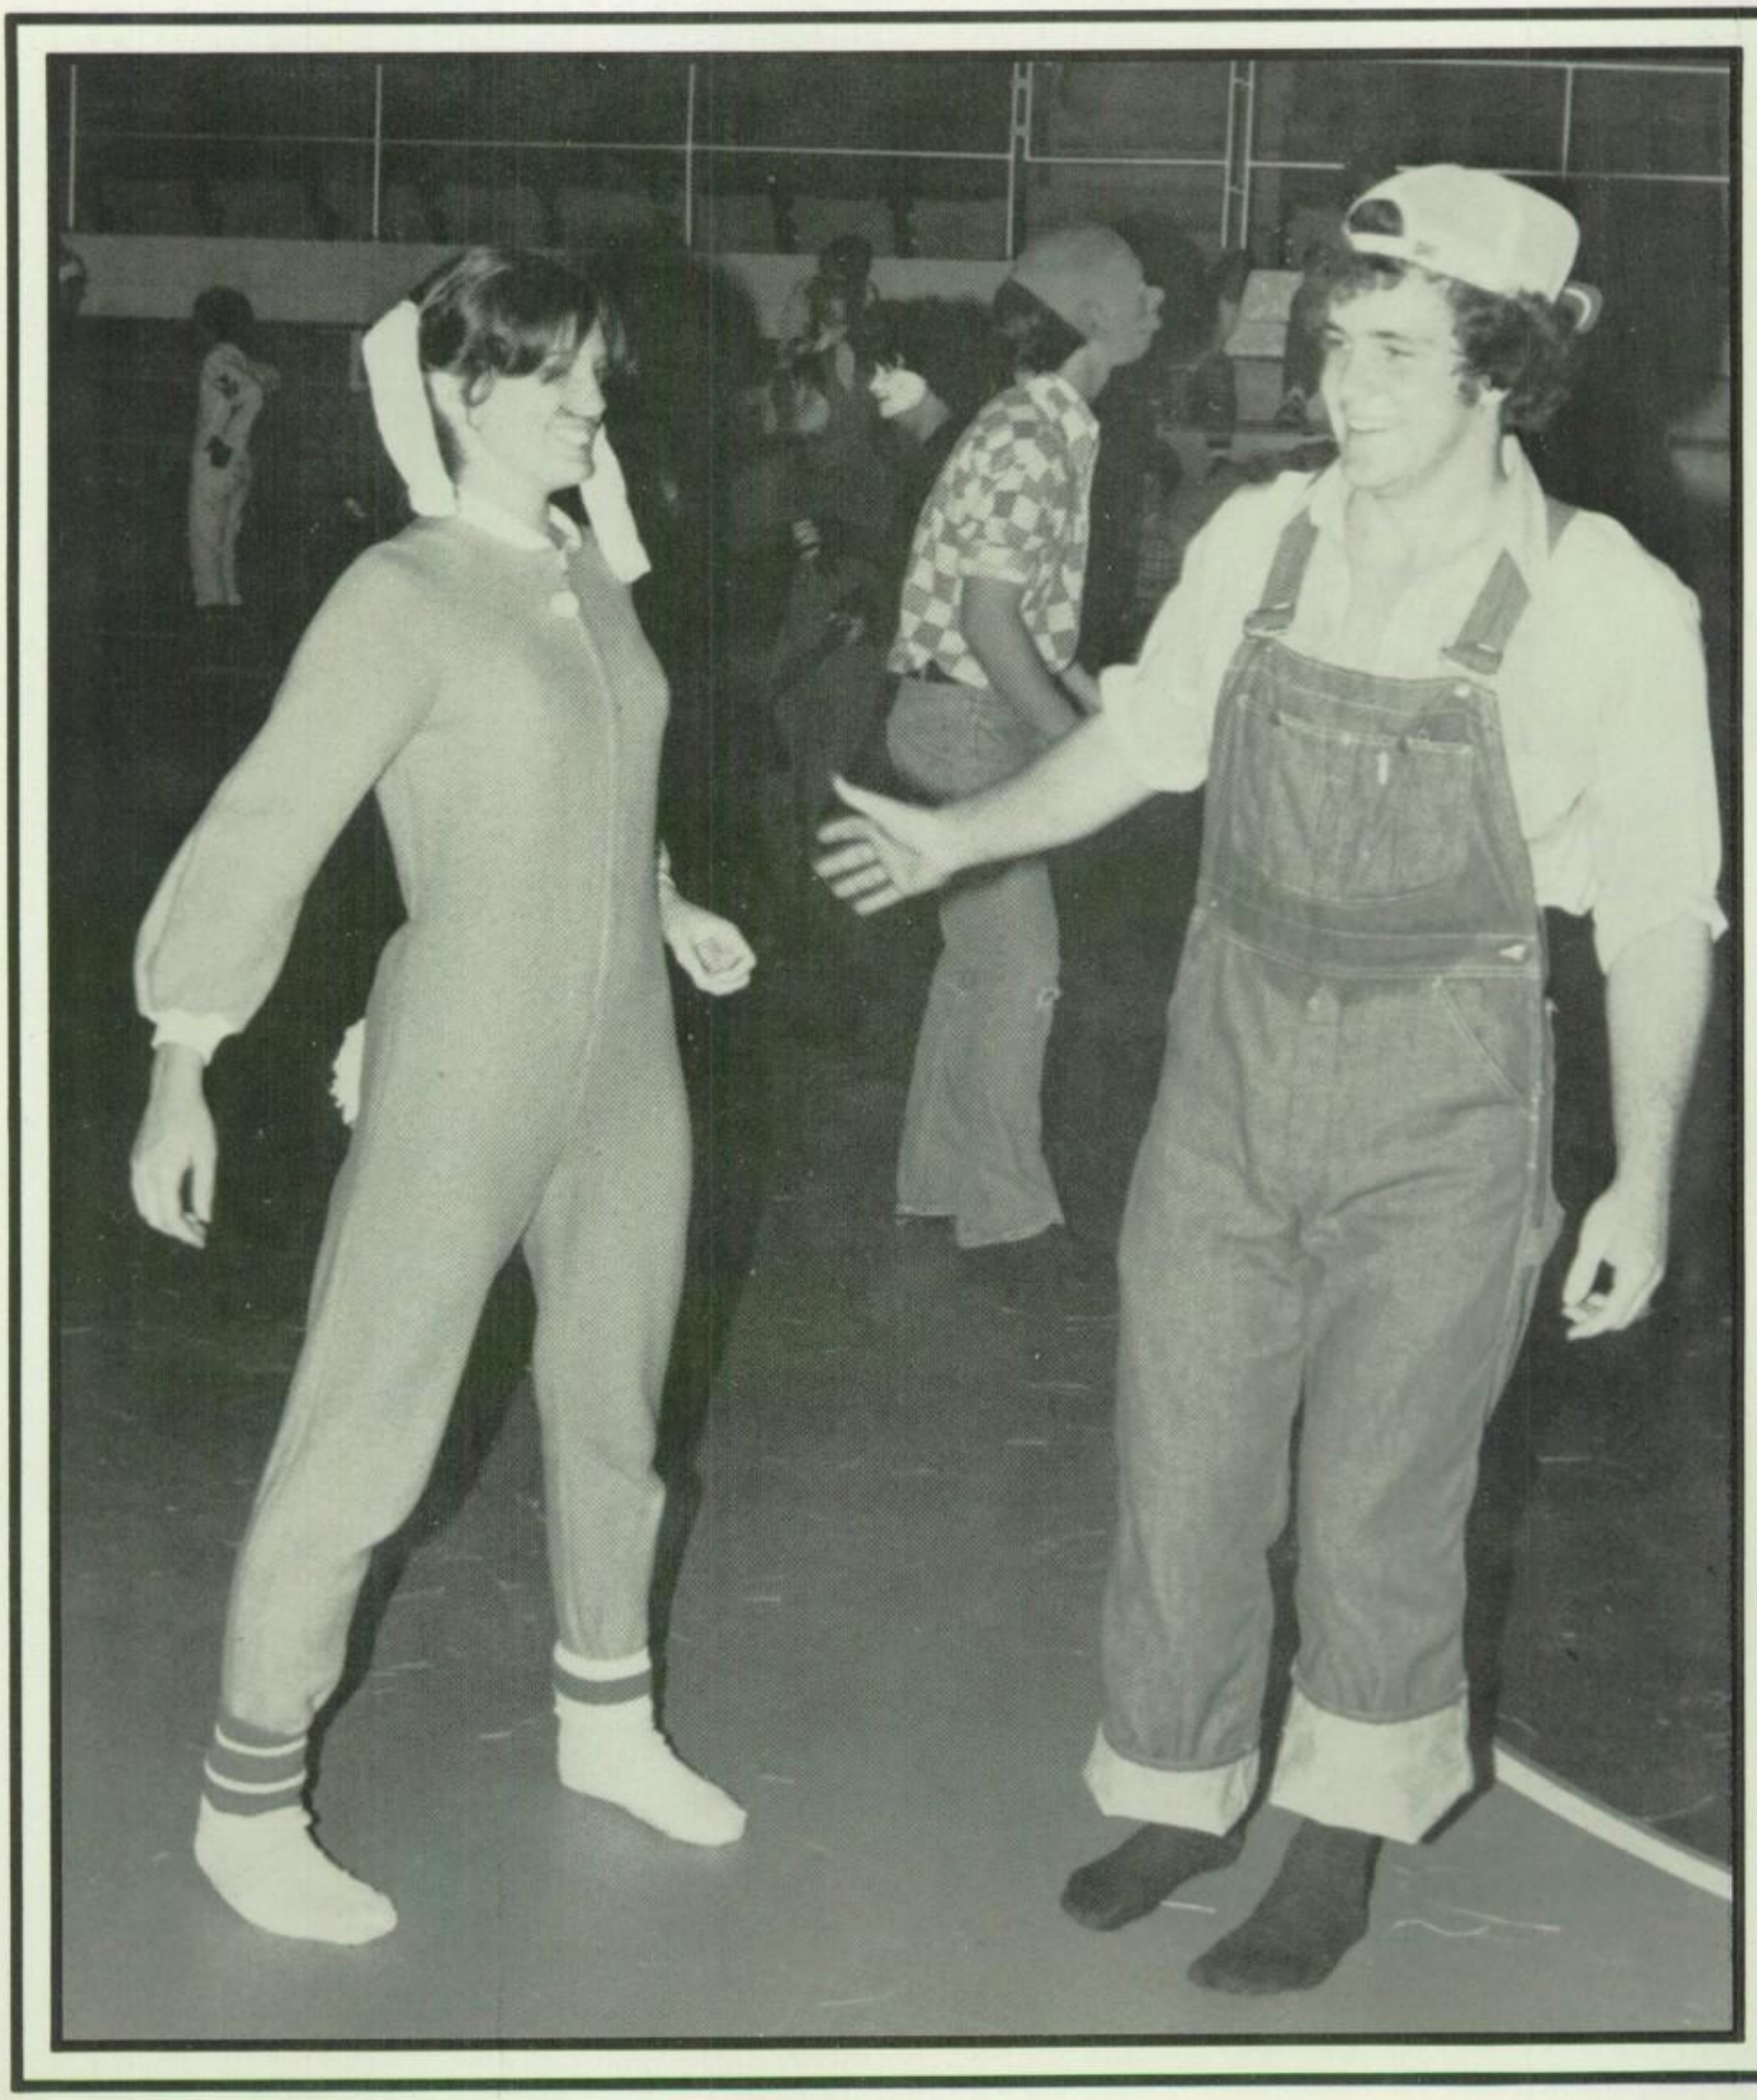
SUPPLIES TAKEN ON

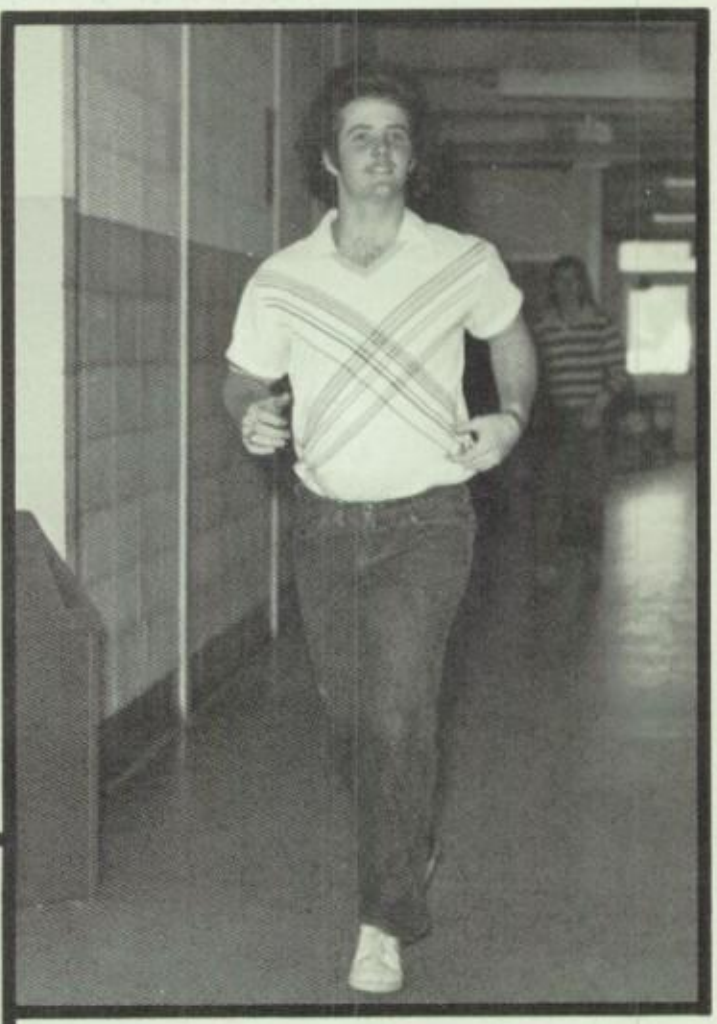
Admiring her Captain's ring, this Ensign looks forward to the day she'll be a Senior Officer.

Other shipmates count the days to the end of another year at sea.

Checking final grades may sometimes be just as disappointing as putting up with the woes of one of the ship's lockers.

ANCHOR RAISED, SAILS HOISTED





For Captains, the last year on the ship brings many bittersweet emotions. Attending one's last dance in the gym and receiving that last Homecoming mum may be sad, but eating in the ship's galley for the last time will make many a Pirate happy. One relieving aspect of finally leaving the vessel is never having to worry about getting into trouble for being late to class.

And then they sail away . . .
